Resolution of Adoption - to be added

Part I: Introduction and Background

Welcome to the Village of Lake Orion's 2025 Master Plan Amendment. Initiated in 2024, this amendment reflects the Village's strategies for addressing redevelopment; future land use; policy and regulatory updates; and ongoing coordination with various Village, Township, County, and State staff. This amendment is key to implementing past policy to attain the future the Village has diligently planned for.

PURPOSE AND RELATIONSHIP TO THE VILLAGE'S 2002 MASTER PLAN

As required by the Michigan Planning Enabling Act, P.A. 33 of 2008, as amended, at least every five years after adoption of a master plan, the Planning Commission must review the plan and determine whether to begin the procedure to adopt a new plan or amend the existing plan. Due to a number of reasons, including recent development activity, the Village has decided to consider an amendment to the plan. This text constitutes the proposed amendment (Amendment #3), and must be interpreted in the context of the overall 2002 - 2022 Master Plan 2002 - 2022. Amendment #3 replaces Section 2 "Goals and Objectives" and Section 10 "Implementation" of the 2002 - 2022 Master Plan.

The purpose of this Amendment #3 to the master plan is to discern tasks that chart a path toward implementing the revised and restated goals and objectives in the following section. Amendment #3 shall be used as a guide for the Village, landowners, and developers during future development processes.

PUBLIC ENGAGEMENT SUMMARY

Following review by the Village Planning Commission, the Lake Orion community was invited to participate in the amendment process during the spring of 2025 through an interactive website, including an opinion survey to refine and prioritize the drafted "Goals and Objectives," which was disseminated by the Commission, staff, and consultants - a paper version was available at Village Hall - and received over 120 responses. Results of the survey are included as an Appendix to this document. Comments were also received during the required 42-day public review period that occurred during the second quarter of 2025.

Findings were presented at several public meetings, including the required public hearing held on Month Day, 2025.

Part II: Goals and Objectives

In a master plan, goals and objectives serve as the guiding principles for the community over the next 5-10 years. They reflect the community's desired path toward land use, zoning, and redevelopment; economic development; pedestrian and vehicular access and circulation; preservation of natural resources; provision of adequate public services, and more!

Since the 2002 - 2022 Master Plan was adopted, the goals and objectives of decades past have remained unchanged; this amendment serves as a restatement and revision of those guiding principles. In addition to the 2002 - 2022 Master Plan, the following statements draw from several other community plans completed since 2002, such as the 2022 Future Land Use and Zoning Plan (Amendment #2), the 2022 Parks and Recreation Plan, the 2020 Downtown Development Authority and TIF Plan, as well as the 2018 Parking Study.
