

BOARD ACTION SUMMARY SHEET

MEETING DATE: April 8, 2026

TOPIC Discussion of Park and Boat passes for 2026

BACKGROUND BRIEF:

The Parks and Recreation Commission is scheduled to meet and provide a recommendation to the Village Council at its April 13, 2026 meeting regarding whether boat pass and/or park pass fees should be increased for the 2026 season.

Boat pass fees were \$50.00 in 2023 and were increased to \$75.00 in 2024.

Currently, two types of boat pass transactions are recorded in the cash receipt register: one for passes sold at the Police Department service window and one for passes sold at the Administration service window. Both transaction types are recorded under the same general ledger account.

RECOMMENDED MOTION:

To recommend that the Village Council [**approve no change to / approve an increase to**] boat pass and/or park pass fees for the 2026 season, as discussed.
