

COUNCIL ACTION SUMMARY SHEET

MEETING DATE: May 29, 2025

TOPIC Discussion on FY 2025-26 Water and Sewer Rates

BACKGROUND BRIEF:

Council is scheduled to receive a presentation from Public Works Director Sanchez on the proposed FY 2025-26 water and sewer rates and to discuss the proposed rates. It is imperative that the Village Council formulate the proposed rates by mid-June, as a public hearing on water and sewer rates is scheduled for Council's June 23 regular meeting.

Attached are the 2025-26 rates analyses for the water and sewer systems.
