

2026-2027 WINTER MAINTENANCE AGREEMENT
VILLAGE OF LAKE ORION

Under 1951 PA 51, As Amended

This Winter Maintenance Agreement (“Agreement”) is made this ____ day of _____, 2026, between the Board of County Road Commissioners of the County of Oakland, State of Michigan, a public body corporate, hereinafter referred to as the “Board,” and the Village of Lake Orion, Oakland County Michigan, a Michigan municipal corporation hereinafter referred to as the “Village.”

WHEREAS, certain county primary and local roads more specifically set forth in Exhibit A, attached hereto, are under the jurisdiction and control of the Board and are located within or adjacent to the Village; and

WHEREAS, The Village desires to be responsible for certain winter maintenance of said roads under the terms of this Agreement, and the Board is willing to participate in the cost thereof as provided in Section III of this Agreement;

NOW, THEREFORE, in consideration of the mutual covenants set forth herein as provided, it is hereby agreed as follows:

I

The Village will perform Winter Maintenance of certain roads under the terms of this Agreement, and the Board will participate in the cost thereof as provided in Section III of this Agreement. “Winter Maintenance,” herein required to be performed by the Village, shall mean snow removal and ice control, on all roads listed in Exhibit A, as follows: Snow removal by blading, plowing and other methods necessary to make the roads reasonably safe for public travel, and ice control by salting, sanding, scraping and other methods necessary to make the roads reasonably safe for public travel, together with such other work and services, such as recordkeeping and insurance, required by this Agreement. All Winter Maintenance work and services performed by the Village shall be in accordance with the Board’s maintenance guidelines, including the Board adopted Winter Maintenance Guidelines, the Board’s standard practices and this Agreement.

II

The Village shall keep accurate and uniform records of all Winter Maintenance work performed pursuant to this Agreement. The Board shall have the right to audit Village accounts and records insofar as such documents concern this Agreement and the work and services performed and to be performed hereunder.

III

In consideration of the assumption of Winter Maintenance by the Village, the Board hereby agrees to pay the Village the sum of \$6,306.85 as set forth in Exhibit A, attached hereto and made a part hereof. Such amounts are to be used by the Village for Winter Maintenance. Payments are to be made by the Board to the Village as follows:

50% in December 2026
50% in March 2027

The making of said payments shall constitute the Board’s entire obligation in reference to Winter Maintenance.

IV

The Village hereby agrees to hold harmless, represent, defend and indemnify the Board, the Road Commission for Oakland County, its officers, and employees; the County of Oakland; the Office of the Oakland County Water Resources Commissioner and applicable drainage district(s); the Michigan State Department of Transportation and the Transportation Commission; and any and all local unit(s) of government within which the roads subject to this Agreement are located, against any and all claims, charges, complaints, damages, or causes of action for (a) public or private property damage, (b) injuries to persons (including death), or (c) other claims, charges, complaints, damages or causes of action arising out of the performance or non-performance of the activities which are the subject matter of this Agreement, specifically those activities set out in Section I, both known and unknown, whether during the progress or after the completion thereof. However, this hold harmless provision does not apply insofar as any claim or suit is alleged to be, or demonstrated to be, the result of a defect in the highway design or condition and not related to the Winter Maintenance activities set forth in Section I. Further, since the Board has the statutory responsibility for maintenance of the roads under this Agreement, it is the intent of the parties that the delegation by this Agreement of those maintenance responsibilities to the Village provides immunity to the Village as an agent of the Board. Therefore, the Village falls within the governmental immunity protections of the Board.

During that part of the year that the Village is providing Winter Maintenance under Section I, the Village agrees to promptly notify the Board as soon as possible, but not longer than 5 days, should it become aware of defects or maintenance requirements in the roads set forth in Exhibit A, if said defects or maintenance requirements are not Winter Maintenance subject to this Agreement.

V

The Village shall acquire and maintain, during the term of the Agreement, statutory worker's compensation insurance, employer's liability insurance, automobile and comprehensive general liability insurance coverages, as more fully described in Exhibit B attached hereto, covering the Board's liability for any and all claims arising out of the Village's performance or non-performance of the activities which are the subject matter of this Agreement.

Without the prior written consent of the Board, the Village shall not cancel, reduce, or fail to renew the insurance coverage required by this Agreement. Certificates of insurance for each policy of insurance required by this Agreement shall provide for 30 days actual (not "endeavor to"), prior, written notice to the RCOC by the insurance carrier of any cancellation, termination, reduction or other material change of the policy; and the Village shall deliver such certificates to the RCOC.

VI

The Village further agrees to comply with all applicable laws and regulations, including without limitation, laws and regulations of the State of Michigan for safeguarding the air and waters of the State. Village facilities and operations must meet the provisions of Part 5 (Spillage of Oil and Polluting Materials) rules promulgated pursuant to Part 31, Water Resources Protection, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended. (Rules R324.2001 through R324.2009 address release prevention planning, secondary containment, surveillance, and release reporting requirements).

VII

In accordance with Michigan 1976 Public Acts No. 220 and 453, being MCLA §§37.1209 and 37.2209, as the same may be amended, the Village and its subcontractors shall not discriminate against an employee or applicant for employment with respect to hire, tenure, terms, conditions, or privileges of employment, or matter directly or indirectly related to employment, because of race, color, religion, national origin, age, sex, height, weight, or marital status; or because of a disability that is unrelated to the individual's ability to perform the

duties of a particular job or position. A breach of this covenant may be regarded as a material breach of this Agreement.

VIII

It is the intention of the parties hereto that this Agreement is not made for the benefit of any third party.

It is anticipated that subsequent agreements regarding Winter Maintenance activities will be executed annually by the Parties hereto.

The terms and conditions of this Agreement shall become effective on October 1, 2026, and shall continue in full force and effect until a subsequent Winter Maintenance agreement has been executed by the parties hereto or until this Agreement is terminated, as set forth below.

In the event that a subsequent Winter Maintenance agreement has not been executed by the parties hereto on or before September 1, 2027, either party may terminate this Agreement by providing the other party hereto with written notice of intent to terminate, at least thirty (30) days prior to the date of termination.

This Agreement is executed by the Board at its meeting of _____,
and by the Village by authority of a resolution of its governing body, adopted _____,
