

COUNCIL ACTION SUMMARY SHEET

MEETING DATE: July 22, 2024

TOPIC Second Reading and Adoption of Village Code Amendments to Chapter 53 – Water System Fees and Charges

BACKGROUND BRIEF:

Administration is requesting that Village Council give second reading to, and adopt, an ordinance which would amend Chapter 53 to: (1) eliminate the hydrant rental fee charged to Orion Township Fire Department; (2) remove all fees and charges from the water code and permit the Village Council to establish such fees and charges by resolution after public hearing; and (3) create one uniform set of fees for water shut-offs and turn-ons to be established by resolution of the Village Council. These changes will eliminate the need to undertake the ordinance amendment process every time Council must change a fee or charge.

Attached is a copy of the proposed ordinance changes drafted by the Village Attorney.
