**MEETING DATE:** January 12, 2026

**TOPIC** Fire Department Concerns on Lions Club Jubilee Event

### **BACKGROUND BRIEF:**

Orion Township Fire Chief Allen has requested a special meeting of the Village Council to provide an opportunity for open, constructive dialogue and to provide an effective environment for ensuring decision-makers clearly understand the fire department's rationale for denying the event prior to Council taking action on the Lions Club's special event permit application.

Both the Fire Department and the Lions Club have been invited to this special meeting. The meeting will be held in the Council Chambers to accommodate any public attendance exceeding the capacity of the conference room.

Attached are the special event permit application and the request from the Fire Department for the information of the Council. The event application is on the January 12, 2026, regular meeting consent agenda for disposition by Council.
