## COUNCIL ACTION SUMMARY SHEET

**MEETING DATE:** July 4, 2025

**TOPIC:** Approval of Special Event – Lake Orion Police Association 2025 Car Show

**BACKGROUND BRIEF:**

The Lake Orion Police Association (LOPA) is a nonprofit organization committed to building strong, positive relationships with the community through events like *Shop with a Hero*, *Kids with Kops*, and other outreach programs held throughout the year. These events create opportunities for officers to connect with local youth and families in a supportive, informal setting.

In addition to community engagement, LOPA offers scholarships to local students pursuing higher education, particularly in public service fields. The association's mission is to foster trust, improve communication, and strengthen partnerships between law enforcement and the residents, businesses, and visitors of Lake Orion. All programs are funded through donations and fundraising efforts, with every dollar going back into the community.

**RECOMMENDED MOTION:**

To adopt Resolution No. 2025-015, approving the Lake Orion Police Association 2025 Car Show Special Event Application and the License Agreement between the Village of Lake Orion and Bob Aiello of the Lake Orion Police Association for the use of various Village properties on Sunday, July 27, 2025; and to authorize the Village Council President and Village Clerk to execute the agreement on behalf of the Village.
