

COUNCIL ACTION SUMMARY SHEET

MEETING DATE: July 13th, 2026

TOPIC Resolution Authorizing Application for State Disaster Contingency Fund Grant

BACKGROUND BRIEF:

In response to the Great Lakes Water Authority (GLWA) water transmission main emergency that culminated in the May 10, 2026, water main break, the Village of Lake Orion incurred extraordinary costs associated with emergency preparedness, response, and protective measures. The Village implemented its Emergency Operations Plan on May 6, 2026, in anticipation of the impending failure and coordinated emergency operations throughout the incident. The attached resolution authorizes submission of an application to the Michigan State Police Emergency Management and Homeland Security Division for reimbursement through the State Disaster Contingency Fund pursuant to Section 19 of the Emergency Management Act, 1976 PA 390, as amended.

FINANCIAL CONSIDERATIONS:

Approval of this resolution authorizes the Village to seek reimbursement for eligible emergency response costs through the State Disaster Contingency Fund. Any grant funds awarded will offset previously incurred eligible expenditures. No local match is required.

RECOMMENDED MOTION:

Motion to adopt the attached Resolution Authorizing Application for a State Disaster Contingency Fund Grant and authorize the Chief of Police/Emergency Manager to execute all documents necessary to submit the application for financial assistance to the Michigan State Police Emergency Management and Homeland Security Division.
