Monthly Planning & Zoning Report

JUNE 2026

Each month, the Village Planning Consultant, McKenna, assists in drafting a report on recent activities of the Planning Commission, Zoning Board, and the Planning & Development Department; we welcome comments.

DEPARTMENT INITIATIVES AND PROJECTS

The following projects are currently in progress:

Tax-Exempt Parcels and Village ROW Inventory: Phase III: Full inventory, inspection, and mapping of Village-owned parcels and public rights-of-way to identify the extent of improvements/encroachments on public property. A report has been created detailing the encroachments and the processes which has been undergoing review and revisions. The next steps are to be determined shortly.

Engineering Code Amendments: The Village Engineering Consultant has met with the Village Attorney to discuss amendments to the existing code, which will be revised to update processes and remove inconsistencies with the zoning ordinance.
