Dear Mr. McClary,

I would like to add this item to the next council agenda for discussion.

I believe that a lot of past issues regarding DDA practices, relationships, spending, and budget could be resolved by combining the DDA Board with the Planning Commission in smaller communities as provide for in Act 57 of 2018.

With the Lumberyard Project commencing without an approved plan pursuant to local and state law I believe we need to act quickly in this matter.

Currently, the Authority maintains separate staff, offices, attorneys, phone system etc. from the Village. There are reoccurring arguments over the budget and reimbursement to the Village for services.

The only communications between Council and Authority are though minutes and the Village Council Presidents attendance at the meetings with no required report to Council. No real two-way communication exists. The Village Manager has no vote on the DDA Board. Village Council and residents have to make an effort to find out what is going on.

The cost savings of combining governmental services is beneficial to the tax payers.

The increase communications and cooperation by having the Planning commission (which includes the President, one council member and the Village Manager as voting members) is also beneficial and provides for more representation of the tax payers. Citizens are complaining about lack of representation.

We are a small community that needs to be on the same page, especially with our \$20 million in infrastructure improvements hanging over us. We need to set aside all of the emotional drama and do what is best in the interests of the tax payers.

For reference on how this has been accomplished in other communities I have attached is a copy my correspondence with previous Manager Joe Young and documentation from the Village of Vicksburg..

Thank you for your cooperation in this matter.

Darwin can you please use this revised text for my agenda request. I believe it is clearer and less confrontational.

Thank you, Mike Lamb

Dear Mr. McClary,

I would like to add this item to the next council agenda for discussion.

I believe that a lot of past issues regarding DDA practices, relationships, spending, and budget could be resolved/improve by combining the DDA Board with the Planning Commission as provide for in **PA 57** of 2018.

There would be an increase in communications and cooperation by having the Planning Commission as the DDA Board which includes the Village President, one council member and the Village Manager as voting members. An additional benefit is that it provides for more representation by all the tax payers.

Currently, the DDA maintains a separate staff, offices, legal representation, phone system, etc. apart from the Village. In essence a duplication of costs. The cost savings of combining governmental services is beneficial to the tax payers.

Currently communications between Council and Authority are through DDA minutes and the Village Council Presidents attendance at the the DDA meetings. (no required report to Council). The Village Manager is not a member and has no vote on the DDA items.

Attached is a copy my correspondence with the previous Village Manager and the Ordinances from the Village of Vicksburg which effected the changes to their governing structure.

Thank you for your cooperation in this matter.

Subject: Are there any comparable communities that have consolidated the DDA with the Planning Commission

Dear Joe,

The question was asked, “are there any comparable communities that have consolidated the DDA with the Planning Commission”. The answer is yes. Vicksburg Michigan had a similar demographic, population, waterfront and historical nature.

The Village of Vicksburg has had a similar situation with their DDA and DDA District which was resolved by means of amendment to various ordinances moving their DDA responsibilities to their Planning Commission. After a phone call with Mr. Jim Mallory, Village Manager, 269-365-8391, it was apparent the situations were quite similar.

Mr. Mallory granted me permission to quote him directly, however my notes are not that precise, so I encourage you to call him. His comments were well organized and he spoke with conviction. I have no doubt he can assist you in bringing clarity to your thoughts on this issue.

The following include my recollections of portions of the conversation. I am not asserting that Mr. Mallory’s comments regarding the Vicksburg DDA are a reflection of the VLO DDA, only that there are similarities in the issues. After the discussion, I am convinced we would be moving in the correct direction. Additionally, his opinion is that we have a situation of incompatible governmental offices within our current DDA Board.

Mr. Mallory indicated that their DDA had become focused on power and money. Things were not getting done. Funds were not being used with fiscal responsibility. Opinions had become passionate; claims were made by DDA members that it was “the DDA’s money”. Their DDA district had been expanded to include non-downtown areas drawing on funds that belonged elsewhere in the community. His comment was that all of the funds are tax revenues of the people and should be used appropriately with fiscal responsibility.

Mr. Mallory’s initiative to bring the DDA District into their Planning Commission was successful. Their Council passed the attached resolutions and within 90 days their newly reorganized Planning Commission was able to take affirmative action in moving projects forward and setting initiatives in motion. Their Planning Commission was expanded to 9 members to include business owners whom were not residents of their Village. Mr. Mallory stated that the level of efficiency and effectiveness of the new organization was greatly increased and that a win had occurred for all involved. Their DDA district was subsequently revised and they are moving full speed ahead with a vibrant and growing downtown.

Attached are various ordinances, minutes, etc.
