WOW 1 DAY PAINTING CUSTOMER TERMS AND CONDITIONS

We are presenting you with this painting quotation as an independently owned and operated franchisee of WOW 1 DAY PAINTING LLC. We are licensed to use the WOW 1 DAY PAINTING systems and trademarks to operate a painting franchise.

Price and Scope of Work

The price listed on the attached quotation (the Quote) is for performance of the work you asked us to perform, as described on the Quote (the Work) at the Service Location listed on the Quote. The price assumes unencumbered access to the work area for the duration of the project.

If additional work is required to complete your project that could not be identified at the time of our on-site estimate, or if you request that we perform additional work not described on the Quote, we will issue you an additional quotation for that extra work. If you agree to the additional cost in that quotation, we will perform the additional work. If you do not agree to the additional cost, we will not perform that additional work. Unless otherwise indicated on the Quote, the Work includes all labor, materials, paint and equipment required to complete the project, including:

For interior Work:

- * Subject to the exceptions below, removal of furniture blocking any surfaces to be painted, unless otherwise directed by you, and replacement of such furniture on completion of the Work.
- * Removal of electrical face plates and other hardware, as required.
- * Priming of new, unprimed wood prior to application of finish coat(s).
- * Patching and sanding of walls and ceilings prior to application of finish coat(s).
- * Sealing of wood cracks and miter joints with a paint-grade caulking.
- * Unless otherwise specified in the Quote, application of up to 2 coats of paint. Please note that darker and brighter colors may require more than 2 coats.

For exterior Work:

- * Staking and covering of plants within 24 inches from the surface to be painted.

For all Work:

- * Washing and cleaning of surfaces to be painted including use of solvents as necessary, as required.
- * Protection of surfaces and objects not being painted with tape, paper, poly and drop sheets, as required.
- * Scraping, sanding and filling, as applicable, of any peeling areas to provide a smooth surface for painting.
- * Localized clean up at the end of each day and full clean up at the end of the project, including removal of any garbage and proper disposal of paint and other products.
- * Leftover paint used, properly labeled, will be left for your future use unless otherwise directed by you.

The Work does NOT include (as applicable):

- * Removal of artwork.
- * Disconnection, reconnection or removal of any electronics including televisions, stereo or surround sound systems.
- * Removal of loose or fragile personal items.
- * Removal or replacement of extremely heavy furniture or furniture containing fragile objects.

Timing of Work

We will start the Work on the date specified on the Quote, or if no date is specified, on a date to be agreed by you.

Our estimate of the time it will take us to complete the Work is also specified on the Quote. If we determine that the Work will take longer than estimated in the Quote, we will advise you as soon as possible.

Color Matching

Unless otherwise specified in the Quote, the Quote assumes that the Work involves use of no more than 4 paint colors. If you ask us to use more than 4 paint colors, additional costs may apply and we will issue an additional quote to you reflecting that additional cost. If you choose not to pay the additional cost you must reduce your paint color choices to 4 or less.

If you choose to have a color formulated to match an existing sample, we cannot ensure 100% accuracy. Color matching, though very accurate, is not an exact science, and human or mechanical error is possible. If additional work is necessary to ensure your satisfaction, we will issue an additional quote to you reflecting that additional cost. If you do not agree to the additional cost, we will not perform that additional work.

Customer Responsibilities

You will ensure that the work environment is a safe one for our painters. In the event that there are any unsafe conditions, we will notify you and arrange to reschedule the Work once these conditions are remedied.

You will remove any artwork, any loose or fragile personal items, and any extremely heavy furniture or furniture containing fragile objects from the Work area prior to the start of Work.

You will make arrangements to ensure your pets do not have access to the Work area while we are prepping or painting.

Payment

Payment is due immediately on completion of the Work. You may pay by cash, check or credit card. In the event that your payment for the Work is rejected or is returned NSF, you will pay us an additional \$50.00 administrative fee.

Please make your payment payable to the person or company noted in the upper right corner on the attached quotation.

Warranty

For two years from completion of the Work, so long as you have complied with all of these terms and conditions, we will repair any peeling or blistering paint that has not bonded to the underlying surface because of our defective workmanship.

Please note that we do not repair peeling paint caused by:

- * Regular wear and tear.
- * Abrasive cleaning, pressure washing, or use of chemicals or cleansers.
- * Sap in wood bleeding through the paint.
- * Fire, flood, graffiti, or vandalism.

This warranty does not apply to decks, stairs, railings, window sills, fences or any other horizontal surface or surface where water regularly pools. This warranty is the only warranty we provide and is in lieu of any other warranty, express or implied, that may apply to the Work, other than as applicable by law and cannot be waived.
