

COUNCIL ACTION SUMMARY SHEET

MEETING DATE: January 9, 2025

TOPIC Sidewalk Improvement Program

BACKGROUND BRIEF:

Council is scheduled to conduct a work session to review, discuss, and formulate a comprehensive, perpetual sidewalk improvement program. To complete this work, Council must approve an administrative policy governing the implementation of the sidewalk improvement program and then approve the details of the first year's improvement project. Village Manager McClary recommends addressing the administrative policy at the January 9 work session meeting and formulating the first year project at the January 16 work session.

Attached is a proposed draft administrative policy to kick off discussion.
