

COUNCIL ACTION SUMMARY SHEET

MEETING DATE: March 23, 2026

TOPIC: Lumber Yard at Paint Creek Planned Unit Development Eligibility

BACKGROUND BRIEF:

The proposed Lumber Yard at Paint Creek project is located at 215 South Broadway within the Village of Lake Orion. The applicant is requesting a determination of eligibility to pursue development under the Planned Unit Development (PUD) provisions of the Village Zoning Ordinance.

The property, historically used as a lumber yard, is located adjacent to Paint Creek and presents unique site characteristics, including proximity to the waterway, potential environmental constraints, and redevelopment of a former industrial site. These conditions may limit conventional development and may justify flexibility through the PUD process.

The purpose of the PUD option is to encourage coordinated site design, preservation of natural features, and enhanced public benefits that may not otherwise be achieved under standard zoning requirements.

If deemed eligible, the applicant would return with a formal PUD plan for detailed review. A determination of eligibility does not constitute project approval.
