Subject: Presentation

Good Morning Darwin,

P&R would like to request a presentation for this Monday's Village Council Meeting.

The Son's of the American Legion once again is presenting us with a \$500.00 check to help us make improvements; this year it will purchase lumber to put a border around the play area @ Swiss Village Park - they have helped us in the past. We'd like to recognize them publicly as last year we took photos & wrote an article & then it wasn't printed in the paper / we want to make sure they get noticed for their goodness! 😊

Look forward to your response,

Rosemary
