Rajeon:

We are writing to state that we are in favor of the re-zoning of Lots 5 and 6, Earl Farlow Addition from R-5 to Commercial.

We are owners of the property to the east of these lots. Our property was rezoned as commercial 20+ years ago, when we initially purchased the property. At that time the city had an initiative to expand the commercial zoning of Main Street to include Garfield and Lincoln. This rezoning request is in line with the initiative.

Best regards,
