

Hello Council Members,

Thank you for allowing me time on the agenda in order to update you on the exciting projects Lander residents are embarking on. Listed below are ten of the approved funding requests from 2023. LOR has funded 45 projects with a YTD total of \$344,000. Included in this number is \$11,600 that has gone to 13 local events.

What I want to convey to you all this evening is what you already know-our community is creative, resilient, resourceful, and caring. When inflation, disagreements, and housing issues take center stage in the public eye- there are many who are quietly working away building a better tomorrow for our kids.

In no particular order:

[3D Metal Printer for the Middle School](#) – Do you need parts? Contact Joe Meyer!

[First Fridays for Teens](#)

[Get Out and Gravel](#)

[Good Portions Mobile Soup Kitchen](#)

[Housing Lander Residents](#)

[Fremont Counseling Drop-In Center](#)

[LSAR radios](#)

[Living Wyoming Wild Pilot Program](#)

[Greatest Gift Campaign](#)

[Treeline Project](#)

The champions of all the projects funded so far this year are:

Teachers

Dog lover

Pastor

Parent

Cyclist

Volunteer

Only NINE requests have come from Non-profits, some of whom are volunteers.
