3. PUBLIC HEARING- Ordinance 2024-6 Fixing and Determining the Mill Levy Necessary to be Levied to Raise Sufficient Money By Central Tax to Meet the Current Expenses of the City of Lander for the Fiscal Year Commencing July 1, 2024.

- A. Opened hearing at 6:02 PM.
- B. Introduced and read by the City Clerk.
- C. Public comment: None.
- D. Closed hearing at 6:04 PM.

4. COMMUNICATION FROM THE FLOOR

- A. Public Comment

Karen Wetzel addressed the Council concerning the Saturday convention and a resolution to remove Lander from Fremont County, as Lander has expressed a desire to be carbon neutral. They did resolve that as Fremont County has large chunks of oil and gas currently being extracted, the City of Lander should work towards its carbon-neutral position without the benefit of tax dollars. She raised a concern about the drag show that will be at the Arts Center on March 23rd. She inquired if parents would be there or required, as it is for ages 13 and older. In her opinion drag shows are adult entertainment and she would like this council to follow Montana and not allow drag performances in public schools, public libraries or anywhere with a child under the age of 18 years old.

Brett Johnson, Carol Harper, and Becky Kenyon from Riverton addressed the council and announced the establishment of a new 501 C (3), Fremont County Law Enforcement Foundation, to support law enforcement. Donations can be made on their website www.fclef.org. There will be a Ballgowns and Badges Fundraiser raising funds for Fremont County law enforcement equipment.

5. MAYOR AND COUNCIL UPDATES

Councilmember White provided a Senior Center update and their request for a Mill Levy to be on the ballot for the Senior District.

Councilmember D Hahn thanked the Street Department for filling potholes and the Police Department for slowing people down.

Council President Cox provided an update on FCSD#1 and park rules on leased properties. She announced there will be a community resource meeting on April 4th.

Councilmember Stuble provided an update on the update Popo Agie Conservation District. She commented that there is a high interest in the next round of LIFT applications. She thanked the staff for organizing the well-attended community open house.

Mayor Richardson commented that the potholes are getting filled and good things are happening. The Lincoln Street Project is out to bid, and the planning for the Pig Roast mental health awareness event on July 19th and 20th is underway.

6. STAFF REPORTS

Assistant Public Works Director Hunter Roseberry informed the Council that several construction projects are starting. There will be a pre-bid meeting for Lincoln Street next week and the Ellis tank project is kicking off this week. There is a large state gymnastics meeting coming to town in March. He also commented that the frost depth is still deep, and people should keep the water running to avoid frozen pipes.

Assistant Mayor Rajeon Strube Fossen announced that the Table Mountain Living Community was awarded \$325,000 from MOVE. Both Riverton and Lander were approved to form a Senior District and be on the ballot. On April 8-12, a Federal Grant Training course will be conducted in Riverton sponsored by Cynthia Lummis and four city employees are attending.
