## **GENERAL PROVISIONS**

1. Bidders failing to use the bid form provided by the City will be disqualified. Only one copy of the bid is required. Alternate bids will not be considered unless the alternate was previously approved by the City. The bid proposal shall not contain any recapitulation by the bidder of the work to be done or items to be furnished in an attempt to condition the bid. Any such recapitulation will not be deemed to vary any of the provisions of the Invitation to Bid. Any deviation from the specifications shall be clearly indicated by the bidder. Bids must be signed in the space provided on the face of the bid. The signature shall be that of a person authorized to bind the company in a legal contract. Unsigned bids will not be considered.
2. Bids may not be withdrawn for 45 days after the bid opening. Bids may be revised prior to opening in writing, signed by an authorized representative of the company; or fax or email prior to the bid opening and followed with proper written confirmation received by the City within three calendar days thereafter. No bid may be revised after the opening.
3. Bids will be publicly opened and read at the time and place advertised for the opening of the bid, as shown on the "Invitation to Bid". Written addenda will be issued to all bidders of record in the event any changes are made to the bidding documents or if the bid opening date or time is revised. Requests for bid clarification shall be made no later than ten (10) days prior to the opening date. The City's response will be provided to all bidders of record. No bid received after the opening time has arrived will be considered. Late bids will be returned unopened. It is the sole responsibility of the bidder to ensure that bids arrive by the date and time specified. The bid shall be submitted in a sealed envelope that shows the bid number or name of the item or service being bid, and the date and time of opening to ensure against premature opening of the bid. Faxed or emailed bids will not be accepted. If the City of Lander City Hall is closed for any reason at the date and time scheduled for bid opening, the bid opening will automatically be rescheduled for the same time on the next working day that City Hall is officially open.
4. The award will be made to the qualified, responsible Wyoming resident bidder submitting the lowest responsive bid if such resident's bid is not more than five percent (5%) higher than that of the lowest qualified nonresident bidder. Bidders are required to indicate their residency status in the space provided on the face of the bid. If the bidder is a resident bidder, they may be asked to provide a copy of the "State of Wyoming Certificate of Residency Status". The 5% Wyoming resident preference will not be applied for expenditures where federal funds are involved. The basis for the award will be on total bid unless stated otherwise, and will include, where applicable, trade-in allowances, discounts, and other factors that may be indicated in the "Invitation to Bid". Prompt payment discounts of less than 20 days will not be considered in the award; otherwise, terms are net 30 days. In all cases where trades are shown on the "Invitation to Bid", the City reserves the right to trade or not to trade as deemed in its best interest. Trade-ins are "As Is-Where Is". If the City elects not to trade, the award will be based as stated above, without taking the trade(s) into consideration for the total bid amount. The City reserves the right to reject any or all bids and to waive any formality or technicality in any proposal in the interest of the City. Unit prices shall reflect all costs relative to furnishing the item, for if the accepted bid exceeds budgeted funds, the City may decrease or delete items; or if funds are available and additional quantities are needed, the City may increase quantities as necessary. The basis of payment will be for actual

quantities ordered and received. If applicable to this Invitation to Bid, a formal contract may not be executed, but rather, a purchase order will be issued to the successful bidder for the goods or services to be purchased as a result of this invitation to bid. **The City reserves the right to reject the item(s) delivered, if the item does not meet the specifications provided by the City and the item(s) can't be fixed. The City will not accept the item(s), and the bidder will forfeit their bid bond.**

5. When an item requested in the bid is identified by a brand name, trade name, catalog number, or reference, it is understood that the bidder proposes to furnish the item so identified and does not propose to furnish an "equal" unless his bid proposal so indicates and he has obtained prior approval from the City for the item. The reference to the brand name, trade name, or catalog number is intended to be descriptive but not restrictive and only to indicate to the bidder articles that will be satisfactory. Bid for other brands, makes, etc., will be considered provided the bidder clearly states on their proposal exactly what they are proposing to furnish, and has submitted to the City at least **ten (10)** days prior to the bid opening date, illustrations, specifications, or other descriptive matter which clearly indicates the character of the article(s) to be covered by this bid, and has obtained the prior approval of the City for the proposed "equal". The City reserves the right to approve as equal, or to reject as not being equal, any article the bidder proposes which contains major or minor variations from specifications or other requirements, but which may comply substantially therewith. Wyoming materials and products of equal quality and desirability shall have preference over materials and products produced outside the state.
6. All items proposed shall be new and the manufacturer's current model unless the City specifically requests or addresses used or demo products in the specifications. The City reserves the right to call for demonstration of products or services at no cost to the City prior to award of the bid.
7. All bid prices shall be quoted F.O.B. to the applicable City Department, Lander, Wyoming unless the City specifically states otherwise elsewhere in the bidding documents.
8. All applicable federal, state, and City laws, ordinances, or regulations shall apply to products or services purchased as a result of this bid. The provisions of Wyoming Statute § 15-1-113, incorporated herein by reference are an express part of these bidding documents. All bid and contract documents shall be interpreted and construed according to the laws of the state of Wyoming.
9. The bidder shall state warranty on labor and materials in months, years, hours, miles, etc., as applicable. The bidder shall assume all costs of all labor, materials, per diem, freight, transportation, and any other items incidental to warranty maintenance or repairs.
10. The bidder shall comply fully with all requirements of the Equal Employment Opportunity Commission (EEOC) and the Americans with Disabilities Act (ADA) in the same manner as is expected from the City of Lander. If the bidder or the bidder's employees or subcontractors are found in violation of these requirements, any order placed as a result of this bid may be canceled. The bidder shall be responsible for all such noncompliant action and shall defend, hold harmless, and indemnify the City of Lander therefrom.

11. All parties to this bid and to any order or agreement resulting from this bid assure that no person shall be excluded from participation in, denied the benefits of, or otherwise discriminated against in connection with the award and performance of the requirements of this bid on the grounds of age, sex, race, creed, color, national origin, ancestry, religion, pregnancy, qualifying disability, sexual orientation, or gender identity. The bidder agrees to include the language of this paragraph in all agreements associated or connected in any way with the furnishing of products or services as a result of this bid.
12. In submitting a bid for this project, the bidder agrees if awarded the bid, to defend, hold harmless, and indemnify the City, its officials, employees, and authorized volunteers against any claims and costs, including attorney's fees, arising during or resulting from the successful bidder's performance of any work or furnishing any product, and shall carry such liability insurance as necessary to achieve this objective. The successful bidder acknowledges its understanding of this paragraph and realizes it may have a financial responsibility to the City hereunder. The City does not waive any applicable defenses and expressly reserves the right to invoke governmental immunity pursuant to the Wyoming Governmental Claims Act, Wyoming Statute § 1-39-101, et seq. for any claim arising out of the performance of this work.
13. Parts of these General Provisions may be supplemented or superseded by specific requirements of the Invitation to Bid, Specifications, or Special Provisions.
14. Bidders shall be required to accompany each bid with a bid bond or if the bid is one hundred fifty thousand dollars (\$150,000.00) or less, any other form of bid guarantee approved by the city, town or joint powers board, equal to at least five percent (5%) of the total bid amount, with sufficient surety and payable to the city. Bidders shall not be required to accompany a bid with a bid bond or other form of bid guarantee if the bid is for the purchase or lease of a new automobile or truck that costs less than one hundred thousand dollars (\$100,000.00). The 5% bid guarantee may be in the form of a bid bond secured by a surety or guaranty company authorized to do business in the State of Wyoming. Cashiers' checks, cash deposits, personal checks or company checks (unless certified) will not be accepted. In the event Trade-Ins are shown on the "Invitation to Bid," the bid guarantee shall include the total value of the Bid amount, including the value of Trade-Ins. For example, if the Bid amount includes \$50,000 in equipment and \$10,000 in Trade-Ins, the bid guarantee would be \$3,000 ( $5\% \times (\$50,000 + \$10,000)$ ). The bid guarantee will ensure that the bidder will not withdraw his bid within 45 days after the bid opening and that he will execute the contract and furnish such bonds, insurance certificates, and other documents; as required in the Bidding Documents; and in the event of the bidder's failure thereof, the bidder shall be liable to the City on account of the default for the amount of the bid guarantee as liquidated damages in accordance with Wyoming Statute § 15-1-113. The bid guarantee of unsuccessful bidders will be returned promptly.

## **LIQUIDATED DAMAGES**

### **Unavoidable Delays:**

A delay in the delivery of one or more items due under this Contract shall be deemed to be unavoidable if the delay: (1) was not reasonably expected to occur in connection with, or during, the Contractor's performance; and (2) was not caused by the Contractor's negligence or intentional misconduct.

**Notification of Delay:**

The Contractor shall provide immediate verbal or electronic notification to the City when the Contractor becomes aware of any event or circumstance that will delay the delivery of any item or items due under this Contract. The Contractor shall also provide written notice to the City no later than five (5) calendar days after the verbal or electronic notice. The written notice shall include complete and detailed information relating to the events and circumstances causing the delay and the anticipated duration of the delay.

It is understood by the City of Lander that a certain manufacturer's model of equipment may not meet every specification stated herein. All variances must be expressly stated and each variance shall be evaluated based on the preferences of the City of Lander. Any variance from these specifications may be accepted or rejected at the City of Lander's sole discretion.

**Request for Extension:**

If the Contractor wishes to seek an extension of time for the delivery of one or more items due under the Contract, the Contractor shall supply any information to the City so that they can determine whether the delay is truly unavoidable. The City will examine the request and supporting information supplied by the Contractor to determine whether the Contractor is entitled to an extension, and if so, the duration of such extension. The City may grant an extension of time if consistent with the mutual duties of the City of Lander and the Contractor to engage in good faith and fair dealing. The City will notify the Contractor of this determination in writing.

It is expressly understood and agreed that the Contractor shall not be entitled to reimbursement for damages, compensation, loss of profits, or any other expenses that may be incurred by the Contractor due to delays in the delivery of one or more items due under this Contract.

**Liquidated Damages:**

If the delivery of any item is delayed and the delay is not unavoidable, the Contracting Officer may assess as liquidated damages a sum equal to a tenth of a percent (10%) of the per item price per calendar day or \$30.00 per item per calendar day, whichever is greater. These damages shall be deducted from any money due, or which may thereafter become due the Contractor under this Contract. **NOTE: Refusal to pay Liquidated Damages will void the bid.**
