Mayor Smith asked if all sidewalks would be connected, or would they be choppy. Rick Flowe explained that the developers would go by the Towns LDO for the sidewalks but there would be gaps that would need closing. Flowe expressed that the Town could either look at a project for ourselves with a development agreement or check on NCDOT grants to connect the sidewalks. 4.1 Consider Presentation and Discussion on Revised Water and Sewer Ordinance.

Planning, Zoning, Subdivision Administrator, Rick Flowe, provided a brief overview of the revisions to the Water/Sewer Ordinance.
