SUBJECT: **Consider Awarding FY24 Paving Project Bid**

DETAILS:

Consider approval of 2024 Paving Project as provided by NJR Group. The scope of work will be to mill & fill the approved roads, provide traffic control and replace pavement markings and symbols. These roads were identified by our last SEPI review to be paved. The contractor, NJR Group tentatively, is procured by the State, therefore additional bids are not required. This project will allow it to be funded through Powell Bill funds, and the full amount of the project is \$217,233.19. Roads to be approved are: Tranquil Lake Drive, Lake Drive, Lawing Drive, S. Meriah Street (W. Ryder Ave. to W. Ridge Ave), and N. Meriah Street (W. Ryder Ave. to 150 N. of W. Blume St.).
