MEETING TYPE: Board of Alderman

DATE: July 14, 2025

SUBMITTED BY: Jason Smith, Fire Chief

ITEM TYPE: Consideration

AGENDA SECTION: Considerations

SUBJECT: **Consider Approval of Resolution #2025-07-14-1 to Authorizing the Purchase of 8 New Nozzles from Newton's Fire & Safety Equipment In the Amount Of \$5,000 to be Funded Through the Enbridge Fueling Futures Grant (Project 26-124)**

DETAILS:

The Fire Department respectfully requests approval to purchase the attached fire nozzles from Newton's Fire & Safety Equipment using funds provided through the Enbridge Fueling Futures grant.

This purchase includes a total of eight nozzles—four fog nozzles and four smooth-bore nozzles. These nozzles will be installed on Engine 441, equipping the apparatus with the latest firefighting technology to enhance operational effectiveness and safety.

Recommended Action: Motion to Approve Resolution #2025-07-14-1 Authorizing the Purchase of 8 New Nozzles from Newton's Fire & Safety Equipment in the Amount of \$5,000 to be Funded Through the Enbridge Fueling Futures Grant
