Attn: Matthew Geelen
Town of Landis
312 N. Main St.
Landis, NC 28088

Mr. Geelen,

The proposal submitted by Carolina Siteworks, Inc., dated June 8, 2026, includes paving the roads that have previously been AST treated, with a nominal compacted depth of 1.5" of surface course asphalt. This will include all of the roads listed in the original bid documents as requiring AST. Those roads include:

East Mills Drive, East Ridge Ave, Coldwater St, Turner St, Dial St, Ney St, South Upright St, East Taylor St and Town St.

If you have any questions or concerns, please let me know.

Respectfully Submitted,

John D. Shell - President
Carolina Siteworks, Inc.
