AGENDA SECTION: Considerations

SUBJECT: **Consider the Approval of the Lighting Equipment for the Landis Ridge Development**

DETAILS:

In August, the board entered into an agreement with Landis Ridge to allow the development to purchase lights from the town on future public right of ways, and in the parking lot of building 2. Town Staff were able to get a quote from Border States (in the amount of \$18,053.33) on the equipment for this install, and are requesting approval to purchase this equipment as soon as possible. This includes both pole-mounted and free-standing lights, designed to match the style of those currently installed along Central Avenue. I make the recommendation to award the lighting equipment bid to Border States in the amount of \$18,053.33.

Requested Action: Motion to Award the Lighting Equipment for the Landis Ridge Development to Border States in the amount of \$18,053.33.
