Re: S. Central Ave Sidewalk Alternate

Blake,

We propose to provide all labor, materials, equipment, and supervision to install a 1' tall poured in place concrete retaining wall at the existing curb line to accommodate a raised sidewalk handicap ramp to access the first two businesses closest to Ryder St. We will also install a handrail along the top of the wall for the entire length of the wall.

Project Total: \$14,890.00

Respectfully,

**Greg Honeycutt**
