MEETING TYPE: Board of Alderman

DATE: June 9, 2025

SUBMITTED BY: Jason Smith, Fire Chief

ITEM TYPE: Consideration

AGENDA SECTION: Consent Agenda

SUBJECT: **Consider Approval of the Fire Department Applying for the Enbridge Gas NC Fueling Futures Grant in the Amount of \$5,000 to Purchase Fire Hose Nozzles for Engine 441 and other Reserve Apparatus**

DETAILS:

The Fire Department respectfully request the opportunity to apply for the Enbridge Gas NC Fueling Futures Grant Program, in order to procure new fire hose nozzles. This is a 100% grant provided by Enbridge Gas NC to charities and municipalities in its service areas.

The department is requesting a grant in the amount of \$5,000 dollars, to purchase seven (7) new fire hose nozzles for Engine 441 and the reserve fire trucks. Due to the purchase of the new truck, the updating of some equipment has been necessary and the department is in need of new fire hose nozzles. This grant would allow us to purchase four (4) Akron Mid-Range Assault Nozzles and three (3) Akron shut-off type smooth bore nozzles. This will compliment the new truck with the soon arriving new hose provided from the Firehouse Subs Public Safety Foundation.
