MEETING TYPE: Board of Alderman

DATE: June 9, 2025

SUBMITTED BY: Michael D. Ambrose, Town Manager

ITEM TYPE: Consideration

AGENDA SECTION: Considerations

SUBJECT: Consider Approval of Awarding Paving Contract On East Corriher Street to D.W. Castleberry In The Amount Of \$33,000 Dollars (Project 25-120)

DETAILS:

East Corriher Street was a part of the new sewer line replacement for the S Main Street / S Upright Street Sewer Line Replacement (Project# 25-02). The new sewer line was installed at the edge of the roadway, and due to the roadway's condition, Locke-Lane Construction, and MESCO are recommending this portion of roadway be paved all the way across. If this section of roadway is not paved, Locke-Lane stated their patchwork will not hold within a year's time. This section of roadway is not currently on our plan to be paved this fiscal year. I did respond to the area to look over the site that was in question, and based on my findings, I am recommending this work be complete from curb to curb in this section of roadway.

Town Staff received three quotes on this project, and they are as follows: D.W. Castleberry in the amount of \$33,000, Around Town Paving in the amount of \$39,500, and Bryer & Son Paving Company in the amount of \$41,000. D.W. Castleberry stated they would be able to complete this work by the end of the fiscal year, and based on their quote a budget amendment would not be needed. The budget will be able to carry this expense in our sewer fund. I make the recommendation to use D.W. Castleberry for this project in the amount of \$33,000 dollars.

Recommended Action: Motion to Approve Awarding the Paving Contract on East Corriher Street to D.W. Castleberry in the Amount of \$33,000
