SUBJECT: **Consider Approval of Capital Project Ordinance
#CPO-2025-06-09-4 for the South Central Avenue Sidewalk Repair
Project (Project 25-32)**

DETAILS:

The South Central Avenue Sidewalk Repair Project will be underway on June 9, 2025. The proposed Capital Project Ordinance will be utilized to allocate the funds for this project. While walking this project with our contractor, we noticed the bank area wasn't on the original bid, and the updated ADA ramp for Mr. Locklear's Office wasn't on the original bid but was talked about. These two changes have been added to the ordinance, and were quoted by the bid price during the original award to the contractor. This change still does not require a budget amendment but will enhance the esthetics of the street.
