MEETING TYPE: Board of Alderman

DATE: February 9, 2026

SUBMITTED BY: Madison Stegall, HR Director/Town Clerk

ITEM TYPE: Consideration

AGENDA SECTION: Consent Agenda

SUBJECT: **Consider Approval of Hosting OneBlood Blood Drive March 3rd, 2026, June 11, 2026, and September 11, 2026, for the Community and Employees and Additionally Consider Employee Incentive of 4-Vacation Hours for Donating**

DETAILS:

OneBlood of the Carolinas has requested that the Town of Landis assist them with hosting community blood drives scheduled for March 3rd, 2026, June 11, 2026, and September 11, 2026.

OneBlood will provide a mobile donation bus, which will be stationed in the large adjacent parking lot next to Town Hall. The blood drives will be open to all town employees, whether on or off duty, with department scheduling adjustments made as needed to ensure operational coverage while maximizing employee participation.

The events will also be open to the public and promoted locally through social media and other outlets to encourage broader community involvement. Each donor will receive a promotional item provided by OneBlood as a thank-you for their contribution.

Additionally, staff request approval to offer an incentive of four (4) hours of vacation leave for each donation to any town employee who donates during the events. This added benefit would further encourage participation in this important, potentially life-saving effort.
