**SUBJECT:** **Consider Approval of Receiving the Cannon Foundation Grant Funds for the Use of Purchasing a New Fire Safety House Inflatable**

**DETAILS:**

The Fire Department applied for a grant for a Fire Safety House Inflatable from the Cannon Foundation. The Fire Safety House is an inflatable house 27 feet wide and 19 feet deep. This is interactive as the children walk through to learn fire safety. The house is inflatable with one blower, so it can be folded and placed into our community trailer when not in use. The Cannon Foundation approved this request at the amount of \$6,195. This is a 100% grant with no contribution from the town. Budget Amendment #14 has been created to increase our budget to receive these funds.
