MEETING TYPE: Board of Alderman

DATE: April 8, 2024

SUBMITTED BY: Joe Halyburton, Public Works Director

ITEM TYPE: Consideration

AGENDA SECTION: Considerations

SUBJECT: **Consider Approval of Equipment for New Bucket Truck**

DETAILS:

Staff have researched multiple companies in order to find new equipment for the new bucket truck that meets the town's needs. I have narrowed the search down to two companies, Safety Test and J. Harlen Company. Attached are both quotes for review. It is my recommendation to use Safety Test for the purchase of new equipment due to their cost efficiency and service saving.
