"A Professional Association of Certified Public Accountants and Management Consultants"

March 6, 2025

Michael Ambrose, Town Manager
Town of Landis
PO Box 8165
Landis, NC 28088

Martin Starnes & Associates, CPAs, P.A. ("we") are pleased to provide the Town of Landis (the "Town," "you" or "your") with the professional services described below. Please read this letter, and any other attachments incorporated herein (collectively, "Agreement"). This Agreement details the nature and limitations of the services we will provide, the terms of our engagement and each party's responsibilities.

Engagement Objective and Scope

You have requested that we audit the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Landis, NC, as of June 30, 2025, and for the year then ended, and the related notes, which collectively comprise the Town of Landis' basic financial statements as listed in the table of contents. We are pleased to confirm our acceptance and our understanding of this audit engagement by means of this letter.

The objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America (GAAS) and in accordance with *Government Auditing Standards* will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Accounting principles generally accepted in the United States of America (U.S. GAAP), as promulgated by the Governmental Accounting Standards Board (GASB) require that certain supplementary information be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the GASB, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the required supplementary information (RSI) in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). These limited procedures will consist primarily of inquiries of management regarding their methods of measurement and presentation, and comparing the information for consistency with management's responses to our inquiries. We will not express an opinion or provide any form of assurance on the RSI. The following RSI is required by U.S. GAAP. This RSI will be subjected to certain limited procedures but will not be audited:

- Management's Discussion and Analysis
- Law Enforcement Officers' Special Separation Allowance schedules
- Local Governmental Employees' Retirement System's schedules

Supplementary information other than RSI will accompany the Town of Landis' basic financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the basic financial statements and perform certain additional procedures, including comparing and reconciling the supplementary information to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and additional procedures in accordance with U.S. GAAS. We intend to provide an opinion on the following supplementary information in relation to the basic financial statements as a whole:

- Combining and individual fund financial statements
- Budgetary schedules
- Other schedules

Auditor Responsibilities

We will conduct our audit in accordance with U.S. GAAS and in accordance with *Government Auditing Standards*. As part of an audit in accordance with GAAS and in accordance with *Government Auditing Standards*, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- May include tests of documentary evidence supporting the transactions recorded in the accounts, tests of the physical existence of inventories, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected customers, creditors, financial institutions, and other third parties as part of our audit procedures. We also may request written representations from your attorneys on litigation, claims, and assessments as part of the engagement, and they may bill you for responding to our inquiries. At the conclusion of our audit, we also will require certain written representations from management made during the audit about the financial statements and related matters.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Town of Landis' ability to continue as a going concern for a reasonable period of time.

We may advise management about appropriate accounting principles and their application, and we may assist in the assembly of your financial statements. However, management has the final responsibility for the selection and application of accounting policies and the fair presentation of financial statements that reflect the nature and operation of the Town of Landis.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements or noncompliance may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform the appropriate level of management of any material errors, any fraudulent financial reporting or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Reporting

We will issue a written report upon completion of our audit of the Town of Landis' basic financial statements. Our report will be addressed to the governing body of the Town of Landis. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinions, add an emphasis-of-matter or other-matter paragraph(s) to our auditor's report, or if necessary, withdraw from the engagement. If our opinions on the basic financial statements are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or to issue a report as a result of this engagement.

In accordance with the requirements of *Government Auditing Standards*, we will also issue a written report describing the scope of our testing over internal control over financial reporting and over compliance with laws, regulations, and provisions of grants and contracts, including the results of that testing. However, providing an opinion on internal control and compliance will not be an objective of the audit and, therefore, no such opinion will be expressed.

We will provide copies of our reports to the Town. However, management is responsible for distribution of the reports and financial statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

We also are responsible for communicating with the Town's management or those charged with governance our audit responsibility under GAAS, an overview of the planned scope and timing of the audit including significant risks identified by us, significant issues or findings from the audit, including our views about the qualitative aspects of the Town of Landis' significant accounting practices, significant unusual transactions, significant difficulties encountered during the audit, disagreements with management, difficult or contentious matters for which we consulted outside the engagement team and that are, in our professional judgement, relevant to those charged with governance, uncorrected and corrected misstatements, and other findings or issues arising from the audit that are, in our professional judgment, significant and relevant to those charged with governance.

During the course of the audit, we may observe opportunities for economy in, or improved controls over, your operations. We will bring such matters to the attention of the appropriate level of management, either orally or in writing.

Compliance with Laws and Regulations

As previously discussed, as part of obtaining reasonable assurance about whether the basic financial statements are free of material misstatement, we will perform tests of the Town of Landis' compliance with the provisions of applicable laws, regulations, contracts, and agreements. However, the objective of our audit will not be to provide an opinion on overall compliance, and we will not express such an opinion.

Management's Responsibilities

Our audit will be conducted on the basis that management and, when appropriate, those charged with governance, acknowledge and understand that they have responsibility:

1. For the preparation and fair presentation of the basic financial statements in accordance with accounting principles generally accepted in the United States of America;
2. For the design, implementation, and maintenance of the system of internal control relevant to the preparation and fair presentation of basic financial statements that are free from material misstatement, whether due to error, fraudulent financial reporting, misappropriation of assets, or violations of laws, governmental regulations, grant agreements, or contractual agreements;
3. For the prevention and detection of fraud, including the design and implementation of programs and controls to prevent and detect fraud;
4. To provide us with:
 - a. Access to all information of which management is aware that is relevant to the preparation and fair presentation of the basic financial statements, such as records, documentation, and other matters;
 - b. Additional information that we may request from management for the purpose of the audit;
 - c. Unrestricted access to persons within the entity from whom we determine it necessary to obtain audit evidence.
 - d. A written acknowledgement of all the documents that management expects to issue that will be included in the annual report and the planned timing and method of issuance of that annual report (if applicable); and
 - e. A final version of the annual report (including all the documents that, together, comprise the annual report) in a timely manner prior to the date of the auditor's report (if applicable).
5. For including the auditor's report in any document containing basic financial statements that indicates that such basic financial statements have been audited by us;
6. For identifying and ensuring that the entity complies with the laws and regulations applicable to its activities;
7. For adjusting the basic financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the current year or period(s) under audit are immaterial, both individually and in the aggregate, to the basic financial statements as a whole;
8. For acceptance of nonattest services, including identifying the proper party to oversee nonattest work (if applicable);
9. For maintaining adequate records, selecting and applying accounting principles, and safeguarding assets.
10. For informing us of any known or suspected fraud affecting the entity involving management, employees with significant roles in the system of internal control and others where fraud could have a material effect on the financials; and
11. For the accuracy and completeness of all information provided.
12. For taking reasonable measures to safeguard protected personally identifiable and other sensitive information, records and documentation;
13. For informing us of any events encountered subsequent to the period under audit that may require adjustment to or note disclosure in the financial statements; and

14. For confirming your understanding of your responsibilities as defined in this letter to us in your management representation letter.

With regard to the supplementary information referred to above, you acknowledge and understand your responsibility (a) for the preparation of the supplementary information in accordance with the applicable criteria, (b) to provide us with the appropriate written representations regarding supplementary information, (c) to include our report on the supplementary information in any document that contains the supplementary information and that indicates that we have reported on such supplementary information, and (d) to present the supplementary information with the audited basic financial statements, or if the supplementary information will not be presented with the audited basic financial statements, to make the audited basic financial statements readily available to the intended users of the supplementary information no later than the date of issuance by you of the supplementary information and our report thereon.

As part of our audit process, we will request from management and, when appropriate, those charged with governance, written confirmation concerning representations made to us in connection with the audit.

We understand that your employees will prepare all confirmations we request and will locate any documents or invoices selected by us for testing.

You agree to inform us of facts that may affect the financial statements of which you may become aware during the period from the date of the auditor's report to the date the financial statements are issued.

Limitations of the Audit Report

Should the Town wish to include or incorporate by reference these financial statements and our report thereon into any other document at some future date, we will consider granting permission to include our report into another such document at the time of the request. However, we may be required by generally accepted auditing standards (GAAS) to perform certain procedures before we can give our permission to include our report in another document such as an annual report, private placement, regulator filing, official statement, offering of debt securities, etc. You agree that the Town will not include or incorporate by reference these financial statements and our report thereon, or our report into any other document without our prior written permission. In addition, to avoid unnecessary delay or misunderstandings, it is important to provide us with timely notice of your intention to issue any such document.

Nonattest Services

We will perform the following nonattest services:

- Draft of financial statements and footnotes
- GASB 34 conversion entries
- Preparation of LGC's data input worksheet
- Clerical services

We will not assume management responsibilities on behalf of the Town of Landis. However, we will provide advice and recommendations to assist management of the Town of Landis in performing its responsibilities.

The Town of Landis' management is responsible for (a) making all management decisions and performing all management functions; (b) assigning a competent individual to oversee the services; (c) evaluating the adequacy of the services performed; (d) evaluating and accepting responsibility for the results of the services performed; and (e) designing, implementing, and maintaining the system of internal control, including the process used to monitor the system of internal control.

Our responsibilities and limitations of the nonattest services are as follows:

- We will perform the services in accordance with applicable professional standards.
- The nonattest services are limited to the services previously outlined. Our firm, in its sole professional judgement, reserves the right to refuse to do any procedure or take any action that could be construed as making management decisions or assuming management responsibilities, including determining account coding and approving journal entries.

Government Auditing Standards require that we document an assessment of the skills, knowledge, and experience of management, should we participate in any form of preparation of the basic financial statements and related schedules or disclosures as these actions are deemed a non-audit service.

You may request that we perform additional services not contemplated in this engagement letter. If this occurs, we will communicate with you regarding the scope and estimated cost of these additional services. Engagements for additional services may necessitate that we amend the Agreement or issue a separate agreement to reflect the obligations of all parties. In the absence of any other written communications from us documenting additional services, our services will be limited to and governed by the terms of this Agreement.

Electronic Transmittals

During the course of the engagement, we may communicate with you or your personnel via fax or e-mail, and you should be aware that communication in those mediums contains a risk of misdirected or intercepted communications.

Regarding the electronic dissemination of audited financial statements, including financial statements published electronically on your Internet website, you understand that electronic sites are a means to distribute information and, therefore, we are not required to read the information contained in these sites or to consider the consistency of other information in the electronic site with the original document.

Professional standards prohibit us from being the sole host and/or the sole storage for your financial and non-financial data. As such, it is your responsibility to maintain your original data and records and we cannot be responsible to maintain such original information. By signing this engagement letter, you affirm that you have all the data and records required to make your books and records complete.

During the course of the engagement, a portal will be in place for information to be shared, but not stored. Our policy is to terminate access to this portal after one year. The Town is responsible for data backup for business continuity and disaster recovery, and our workpaper documentation is not to be used for these purposes.

If you decide to transmit your confidential information to us in a manner other than a secure portal, you accept responsibility for any and all unauthorized access to your confidential information. If you request that we transmit confidential information to you in a manner other than a secure portal, you agree that we are not responsible for any liability, including but not limited to, (a) any loss or damage of any nature, whether direct or indirect, that may arise as a result of our sending confidential information in a manner other than a secure portal, and (b) any loss arising as a result of any virus being passed on or with, or arising from any alteration of, any email message.

Timing of Engagement

We expect to begin our services at a time mutually determined by you and Martin Starnes & Associates, CPAs, P.A. and after receipt of this executed Agreement and all documents requested by our office. The timing of our work is dependent upon the timely receipt of the information we request from you, including timely responses to any questions we may ask.

Our services under this Agreement will conclude at the earlier of:

- issuance of the deliverable outlined in this Agreement;
- written notification by either party that the Agreement is terminated

Provisions of Engagement Administration and Fees

Tonya Thompson is the engagement partner for the audit services specified in this letter. The engagement partner's responsibilities include supervising Martin Starnes & Associates, CPAs, P.A.'s services performed as part of this engagement and signing or authorizing another qualified firm representative to sign the audit report. To ensure that our independence is not impaired under the AICPA Code of Professional Conduct, you agree to inform the engagement partner before entering into any substantive employment discussions with any of our personnel.

The audit documentation for this engagement is the property of Martin Starnes & Associates, CPAs, P.A. and constitutes confidential information. However, we may be requested to make certain audit documentation available to the Local Government Commission, Office of the State Auditor, federal or state agencies and the U.S. Government Accountability Office pursuant to authority given to it by law or regulation, or to peer reviewers. If requested, access to such audit documentation will be provided under the supervision of Martin Starnes & Associates, CPAs, P.A.'s personnel. Furthermore, upon request, we may provide copies of selected audit documentation to these agencies and regulators. The regulators and agencies may intend, or decide, to distribute the copies of information contained therein to others, including other governmental agencies.

Our fees for these services are as follows:

Audit Fee	\$ 49,570
Financial Statement Drafting	<u>9,000</u>
	<u>\$ 58,570</u>

Our invoices for these fees will be rendered in four installments as work progresses and are payable upon presentation. The Town agrees to pay all cost of collection (including reasonable attorney fees) that the Firm may incur in connection with the collection of unpaid invoices. In accordance with our firm policies, work may be suspended if your account becomes overdue and may not be resumed until your account is paid in full. If we elect to terminate our services for non-payment, our engagement will be deemed to have been completed upon written notification of termination, even if we have not completed our reports. You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket costs through the date of termination. In the event that work is discontinued, either temporarily or permanently, as a result of delinquent or non-payment, we shall not be liable for any loss you may incur as a result of the work stoppage, including penalties and interest. In such cases, you assume all risk associated with your failure to meet any governmental or other deadlines.

We will notify you immediately of any circumstances we encounter that could significantly affect this initial fee estimate. Whenever possible, we will attempt to use the Town of Landis' personnel to assist in the preparation of schedules and analyses of accounts. This effort could substantially reduce our time requirements and facilitate the timely conclusion of the audit. Further, we will be available during the year to consult with you on financial management and accounting matters of a routine nature.

If we determine that we are required to perform a single audit in accordance with the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and the State Single Audit Implementation Act, and these procedures and related fees were not included in our quoted fees, we may amend our audit contract and supplemental bill for these additional procedures.

We want our clients to receive the maximum value for our professional services and to perceive that our fees are reasonable and fair. In working to provide you with such value, we find there are certain circumstances that can cause us to perform work in excess of that contemplated in our fee estimate.

Following are some of the more common reasons for potential supplemental billings:

Changing Laws and Regulations

There are many governmental and rule-making boards that regularly add or change their requirements. Although we attempt to plan our work to anticipate the requirements that will affect our engagement, there are times when this is not possible. We will discuss these situations with you at the earliest possible time in order to make the necessary adjustments and amendments in our engagement.

The estimated fees are based on auditing and accounting standards effective as of the date of this engagement letter and known to apply to the Town at this time. Unless otherwise indicated, estimated fees do not include any time related to the application of new auditing or accounting standards that impact the Town for the first time.

Incorrect Accounting Methods or Errors in Client Records

We base our fee estimates on the expectation that client accounting records are in order so that our work can be completed using our standard testing and accounting procedures. However, should we find numerous errors, incomplete records, or the application of incorrect accounting methods, we will have to perform additional work to make the corrections and reflect those changes in the financial statements. If, for any reason, the Town is unable to provide such schedules, information, and assistance, the Firm and the Town will mutually revise the fee to reflect additional services, if any, required of us to achieve these objectives.

Failure to Prepare for the Engagement

In an effort to minimize your fees, we assign you the responsibility for the preparation of schedules and documents needed for the engagement. We also discuss matters such as availability of your key personnel, deadlines, and work space. If your personnel are unable, for whatever reasons, to provide these items as previously agreed upon, it might substantially increase the work we must do to complete the engagement within the scheduled time.

Starting and Stopping Our Work

If we must withdraw our staff or accommodate the Town's requested scheduling change because of the condition of the client's records, or the failure to provide agreed upon items within the established timeline for the engagement, we will not be able to perform our work in a timely, efficient manner, as established by our engagement plan. This will result in additional fees, as we must reschedule our personnel and incur additional start-up costs.

Our fees are based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs. Our fees for such services range from \$85-\$410 per hour.

Non-Solicitation of Employees and Independent Contractors

During the term of this engagement and for a period of eighteen (18) months after the end of this engagement, for whatever reason, you agree that you shall not, directly or indirectly: (i) solicit or attempt to solicit for employment or for engagement as an independent contractor, any of our employees or

independent contractors; or (ii) solicit, encourage, or induce, or attempt to solicit, encourage, or induce, any of our employees or independent contractors to leave the employment of Martin Starnes & Associates, CPAs, P.A. or terminate their relationship with Martin Starnes & Associates, CPAs, P.A. For the avoidance of doubt, general advertisements for employment shall not be deemed a violation of this paragraph.

You agree that we invest a large amount of capital and resources to ensure that our employees and independent contractors deliver the highest level of service in our industry. You also agree that the cost of recruiting and hiring qualified individuals to replace our employees or independent contractors would be a lengthy and expensive process. You therefore agree that your violation of the non-solicitation provision above will result in economic damages that are difficult to ascertain and that, in the event of a breach of the non-solicitation provision above, you will pay to Martin Starnes & Associates, CPAs, P.A. a fee equal to One Hundred Percent (100%) of the employee's or independent contractor's annual rate of compensation at the time their relationship with us ends.

You further agree that your breach or threatened breach of the non-solicitation provision above would result in irreparable loss and injury to us. You agree that, in addition to all other remedies provided at law or equity, we shall be entitled to a temporary restraining order and preliminary and permanent injunctive relief in the event of a breach or threatened breach of the non-solicitation provision above, and you hereby waive any requirement that we post any bond in connection with obtaining such restraining order and/or injunctive relief. We shall be entitled to a restraining order and/or injunctive relief without regard to whether we can demonstrate that we have suffered actual damages or economic loss as a result of the breach or threatened breach of the non-solicitation provision.

Termination and Withdrawal

Either party may terminate this Agreement at any time and for any reason. If this Agreement is terminated before services are completed, you agree to pay all fees and expenses we incur through the effective date of termination.

Proprietary Information

You acknowledge that proprietary information, documents, materials, management techniques and other intellectual property are a material source of the services we perform and were developed prior to our association with you. Any new forms, software, documents or intellectual property we develop during this engagement for your use shall belong to us, and you shall have the limited right to use them solely within your business. All reports, templates, manuals, forms, checklists, questionnaires, letters, agreements and other documents which we make available to you are confidential and proprietary to us. Neither you, nor any of your agents, will copy, electronically store, reproduce or make available to anyone other than your personnel, any such documents. This provision will apply to all materials whether in digital, "hard copy" format or other medium.

Conflicts of Interest

If we, in our sole discretion, believe a conflict of interest has arisen affecting our ability to deliver services to you in accordance with either the ethical standards of our firm or the ethical standards of our profession, we may be required to terminate our services without issuing our work product.

Third-Party Service Providers or Subcontractors

We may use third-party service providers, subcontractors, commercially available artificial intelligence, or software tools, some of which may utilize or offer artificial intelligence capabilities (collectively, "external party" or "external parties"), to assist us where necessary to help provide professional services to you or support the needs of our firm. You consent to our use of external parties. Our firm remains responsible for

exercising reasonable care in providing our services, and our services and work product will be subjected to our firm's customary quality control procedures.

We may provide your confidential information to external parties in support of our services. You consent to the disclosure of your confidential information to those external parties. We take reasonably prudent business care consistent with our professional standards to prevent the unauthorized release of your confidential information.

In certain circumstances, we may require a separate, written consent from you before your information is transmitted to an external party or parties.

Records Management

We will return any original records and documents you provide to us. Our copies of your records and documents are solely for our documentation purposes and are not a substitute for your own record-keeping obligations under any applicable laws or regulations. You are responsible for maintaining complete and accurate books and records, which may include financial statements, schedules, tax returns and other deliverables provided to you by us. If we provide deliverables or other records to you via an information portal, you must download this information within 60 days. Professional standards may preclude us from being the sole repository of your original data, records, or information.

Workpapers and other items created by us to support the delivery of our services are our property and will remain in our control. We will consider requests for copies of workpapers and other items created by us in accordance with the AICPA Code of Professional Conduct. Our workpapers will be maintained by us in accordance with our firm's record retention policy and any applicable legal and regulatory requirements.

We agree to retain our audit documentation or work papers for a period of at least five years from the date of our report. Catastrophic events or physical deterioration may result in damage to or destruction of our firm's records, causing the records to be unavailable before the expiration of the retention period, as stated in our record retention policy.

Summons or Subpoenas

All information you provide to us in connection with this engagement will be maintained by us on a confidential basis.

If we receive a summons or subpoena which our legal counsel determines requires us to produce documents from this engagement or testify about this engagement, provided that we are not prohibited from doing so by applicable laws or regulations, we agree to inform you of such summons or subpoena as soon as practicable. You may, within the time permitted for our firm to respond to any request, initiate such legal action as you deem appropriate, at your sole expense, to attempt to limit discovery. If you take no action within the time permitted for us to respond, or if your action does not result in a judicial order protecting us from supplying requested information, we may construe your inaction or failure as consent to comply with the request.

If we are not a party to the proceeding in which the information is sought, you agree to reimburse us for our professional time and expenses, as well as the fees and expenses of our legal counsel, incurred in responding to such requests.

Confidentiality

In providing services to you, we may require information that is considered confidential and may include Personally Identifiable Information (PII), i.e. information that can be used to distinguish or trace an

individual's identity such as address, bank account and social security information. We will maintain all client information, including PII, on a confidential basis and have a duty to do so based on the standards promulgated by the American Institute of Certified Public Accountants as well as applicable laws and regulations. You assume the risk of loss if you provide us with information, including PII, which differs from the information we request in order to provide services to you in accordance with the Agreement.

Referrals

In the course of providing services to you, you may request referrals to products or professionals such as attorneys, brokers, or investment advisors. As a courtesy, we may identify professional(s) or product(s) for your consideration. However, you are responsible for evaluating, selecting, and retaining any professional or product and determining if the professional or product meets your needs. You agree that we will not oversee the activities of and have no responsibility for the work product of any professional or suitability of any product we refer to you or that you separately retain.

Limitations on Oral and Email Communications

We may discuss with you our views regarding the treatment of certain items or decisions you may encounter. We may also provide you with information in an email. Any advice or information delivered orally or in an email (rather than through a memorandum delivered as an email attachment) will be based upon limited research and a limited discussion and analysis of the underlying facts. Additional research or a more complete review of the facts may affect our analysis and conclusions.

Due to these limitations and the related risks, it may not be appropriate to proceed with a decision solely on the basis of any oral or email communication from us. You accept all responsibility for any liability, including but not limited to additional tax, penalties or interest resulting from your decision (i) not to have us perform the research and analysis necessary to reach a more definitive conclusion and (ii) to instead rely on an oral or email communication. The limitation in this paragraph will not apply to an item of written advice that is a deliverable of a separate engagement. If you wish to engage us to provide formal advice on a matter on which we have communicated orally or by email, we will confirm this service in a separate agreement.

Disclaimer of Legal and Investment Advice

Our services under this Agreement do not constitute investment advice unless specifically engaged in the *Engagement Objective and Scope* section of this Agreement. Our services under this Agreement do not constitute legal advice.

Electronic Data Communication and Storage

In the interest of facilitating our services to you, we may send data over the Internet, temporarily store electronic data via computer software applications hosted remotely on the Internet, or utilize cloud-based storage. Your confidential electronic data may be transmitted or stored using these methods. In using these data communication and storage methods, our firm employs measures designed to maintain data security. We use reasonable efforts to keep such communications and electronic data secure in accordance with our obligations under applicable laws, regulations, and professional standards.

You recognize and accept that we have no control over the unauthorized interception or breach of any communications or electronic data once it has been transmitted or if it has been subject to unauthorized access while stored, notwithstanding all reasonable security measures employed by us. You consent to our use of these electronic devices and applications during this engagement.

Marketing and Educational Communications

If we send you newsletters, updates, explanations of technical developments or similar communications, it is strictly for marketing or general educational purposes and should not be construed as professional advice on which you may rely. These communications, by themselves, do not create a contractual relationship between us and you, a binding obligation for us to provide services to you, nor a requirement on our part to monitor issues for you.

Independent Contractor

When providing services to your company, we will function as an independent contractor and in no event will we or any of our employees be an officer of you, nor will our relationship be that of joint venturers, partners, employer and employee, principal and agent, or any similar relationship giving rise to a fiduciary duty to you.

Our obligations under this Agreement are solely obligations of Martin Starnes & Associates, CPAs, P.A., and no Martin Starnes & Associates, CPAs, P.A. stakeholder shall be subjected to any personal liability whatsoever to you or any person or entity.

Severability

If any portion of this Agreement is deemed invalid or unenforceable, said finding shall not operate to invalidate the remainder of the terms set forth in this Agreement.

Survivability

The following sections of this Agreement shall survive termination of the Agreement: Limitation of Liability and Statute of Limitations.

Assignment, No Third-Party Beneficiaries

All parties acknowledge and agree that the obligations and responsibilities of this Agreement cannot be assigned to any third party except as agreed to in writing. This Agreement has been entered into solely between you and Martin Starnes & Associates, CPAs, P.A., and no third-party beneficiaries are created hereby.

Force Majeure

Neither party shall be held liable for any delays resulting from circumstances or causes beyond our reasonable control, including, without limitation, fire or other casualty, act of God, strike or labor dispute, war or other violence, epidemics or pandemics as defined by The Centers for Disease Control and Prevention, or any law, order or requirement of any governmental agency or authority. However, no Force Majeure event shall excuse you of any obligation to pay any outstanding invoice or fee or from any indemnification obligation under this Agreement.

Electronic Signatures and Counterparts

Each party hereto agrees that any electronic signature intended to replicate a written signature, shall be presumed valid, and we may reasonably rely upon it. For purposes hereof, "electronic signature" includes, but is not limited to, a scanned copy of a manual signature, an electronic copy of a manual signature affixed to a document, a signature incorporated into a document utilizing touchscreen capabilities, or a digital signature. Documents may be executed in one or more counterparts, each of which shall be considered an original instrument, but all of which shall be considered one and the same agreement.

Entire Agreement

This Agreement, including the LGC-205 Contract to Audit Accounts, represents the entire agreement of the parties and supersedes all previous oral, written or other understandings and agreements between the parties. Any modification to the terms of this Agreement must be made in writing and signed by both parties.

Statute of Limitations

You agree that any claim or legal action arising out of or related to this contract and the services provided hereunder shall be commenced no more than one (1) year from the date of delivery of the work product to You or the termination of the services described herein (whichever is earlier), regardless of any statute of limitations prescribing a longer period of time for commencing such a claim under law. This time limitation shall apply regardless of whether Martin Starnes & Associates, CPAs, P.A. performs other or subsequent services for You. A claim is understood to be a demand for money or services, demand for mediation, or the service of suit based on a breach of this contract or the acts or omissions of Martin Starnes & Associates, CPAs, P.A. in performing the services provided herein. This provision shall not apply if enforcement is disallowed by applicable law or professional standards.

Limitation of Liability

You agree that Martin Starnes & Associates, CPAs, P.A.'s liability, if any, arising out of or related to this contract and the services provided hereunder, shall be limited to the amount of the fees paid by You for services rendered under this contract. In no event shall Martin Starnes & Associates, CPAs, P.A. be liable to You or a third party for any indirect, special, consequential, punitive, or exemplary damages, including but not limited to lost profits, loss of revenue, interruption, loss of use, damage to goodwill or reputation, regardless of whether You were advised of the possibility of such damages, regardless of whether such damages were reasonably foreseeable, and regardless of whether such damages arise under a theory of contract, tort, strict liability, or otherwise. The foregoing limitations shall not apply to the extent it is finally, judicially determined that the liability resulted from gross negligence or fraud of Martin Starnes & Associates, CPAs, P.A. or if enforcement of this provision is disallowed by applicable law or professional standards.

Mediation

If a timely dispute arises out of or relates to this Agreement, including the scope of services contained herein, or the breach thereof, and if the dispute cannot be settled through negotiation, the parties agree first to try to settle the dispute by mediation administered by the American Arbitration Association ("AAA") under the *AAA Accounting and Related Services Arbitration Rules and Mediation Procedures* before resorting to arbitration, litigation, or any other dispute resolution procedure. The mediator will be selected by mutual agreement of the parties. If the parties cannot agree on a mediator, a mediator shall be designated by the AAA. The mediation will be conducted in North Carolina.

The mediation will be treated as a settlement discussion and, therefore, all discussions during the mediation will be confidential. The mediator may not testify for either party in any later proceeding related to the dispute. No recording or transcript shall be made of the mediation proceedings. The costs of any mediation proceedings shall be shared equally by all parties. Any costs of legal representation shall be borne by the hiring party.

This provision shall not apply to any dispute of fees owed, billed or due.

Arbitration Procedures

If a dispute has not been resolved within 90 days after the effective date of the written notice beginning the mediation process (or such longer period, if the parties so agree in writing), the mediation shall terminate and the dispute shall be settled by binding arbitration to be held at a mutually agreeable location. The arbitration shall be conducted in accordance with the CPR Rules for Non-Administered Arbitration that are in effect at the time of the commencement of the arbitration, except to the extent modified by this Dispute Resolution Provision (the rules). The arbitration shall be conducted before a panel of three arbitrators. Each of the Town and firm shall designate one arbitrator in accordance with the “screened” appointment procedure provided in the Rules, and the two party-designated arbitrators shall jointly select the third in accordance with the Rules. No arbitrator may serve on the panel unless he or she has agreed in writing to enforce the terms of the engagement letter and to abide by the terms of the Rules. Except with respect to the interpretation and enforcement of these arbitration procedures (which shall be governed by the Federal Arbitration Act), the arbitrators shall apply the laws of the state of North Carolina (without giving effect to its choice of law principles) in connection with the dispute. The arbitrators may render a summary disposition relative to all or some of the issues, provided that the responding party has had an adequate opportunity to respond to any such application for such disposition. Any discovery shall be conducted in accordance with the Rules. The result of the arbitration shall be binding on the parties, and judgment on the arbitration award may be entered in any court having jurisdiction.

Costs

Each party shall bear its own costs in both the mediation and the arbitration; however, the parties shall share the fees and expenses of both the mediators and the arbitrators equally.
