### **DESCRIPTION OF THE HOUSING AND PUBLIC FACILITIES PROJECT OR PROJECTS THAT ARE PROPOSED TO BE CONSTRUCTED OR IMPROVED IN THE PROPOSED RHID**

The housing and public facility project will include the construction and extension of certain infrastructure and utility improvements needed to develop a townhome project within the District, which is currently anticipated to include approximately 21 units, consisting primarily of five (5) triplex buildings (15 units) and three (3) duplexes (6 units), which will include nineteen (19) 2-bedroom/1.5-bath units and two (2) 1-bed/1-bath units, as ultimately determined by developer consistent with the City of Lansing's RHID Policy.

**ELIGIBLE COSTS.** Developer is largely not seeking reimbursement of traditional infrastructure expenses as they are already constructed, but is seeking reimbursement for the vertical construction per K.S.A. 12-5249(a)(12), which allows for eligible costs to include:

*(12) renovation or construction of residential dwellings, multi-family units or buildings or other structures exclusively for residential use located on existing lots if:*

*(A) The infrastructure, including streets, sewer, water and utilities, has been in existence for at least 10 years; or*

*(B) the existing lot has been subject to any tax assessment levied pursuant to chapter 12, article 6a or chapter 19, article 27 of the Kansas Statutes Annotated, and amendments thereto, because such lot is located in an improvement district established pursuant to chapter 12, article 6a or chapter 19, article 27 of the Kansas Statutes Annotated, and amendments thereto.*

Developer and City agree that such construction costs are eligible pursuant to K.S.A. 12-5249(a)(12)(A) as the infrastructure, including streets, sewer, water and utilities, has been existence for at least 10 years.

### **SUMMARY OF THE CONTRACTUAL ASSURANCES BY THE DEVELOPER AND OF THE COMPREHENSIVE FEASIBILITY ANALYSIS**

#### ***Contractual Assurances***

The Governing Body of the City of Lansing will enter into a development agreement with Greenamyre Rentals, Inc., the developer. This agreement, as supplemented and amended, will include the project construction schedule, a description of projects to be constructed, financial obligations of the developer and financial and administrative support from the City of Lansing, Kansas.

#### ***Feasibility Study***

The Developer conducted a study to determine whether the public benefits derived from the District will exceed the costs and that the income from the District, together with other sources of revenue provided by the developer, would be sufficient to pay for the public improvements and other Eligible Costs to be undertaken in the District. The analysis estimates the property tax revenues that will be generated from the Development, less existing property taxes and certain unavailable property tax revenues to determine the revenue stream available to support the costs of the public infrastructure and other Eligible Costs. The estimates indicate that the revenue realized from the project together with other sources of Developer funds would be adequate to pay the eligible costs.
