

WORKSESSION ITEM

TO: Tim Vandall, City Administrator
FROM: Matthew R. Schmitz, MPA - Director, Community and Economic Development 
DATE: August 25, 2022
SUBJECT: Driveway pavement requirements, Fence location requirements, and Grass maintenance code requirements regarding maximum height

Discussion about Driveway pavement requirements, Fence location requirements, and Grass maintenance code requirements regarding maximum height.

City Staff will provide information from the Lansing Municipal Code and Unified Development Ordinance regarding the requirements currently in place regarding Driveway pavement requirements (including discussion of allowing gravel driveways in some areas), Fence location requirements (specifically when located in rear or side setbacks), and Grass maintenance code requirements regarding maximum height before Code Enforcement steps in and abates this nuisance, as well as information regarding the requirements of other cities in the area.
