Re: “Will Serve” Letter – Gilman Rd & 136th St Lansing, KS

Dear Janet:

This letter is to confirm that Kansas Gas Service has gas mains in the vicinity of your project. The best route to get service to the site, installation of new gas main, easements, relocation of existing pipe location or size, grade changes, location of gas meters, termination of old services, or any cost associated would still need to be determined. Please consult with us prior to finalizing your plans so Kansas Gas Service can determine the best route to provide service to the project, adequate space and safe locations for all gas meters. A map of our facilities is attached for your information.

Feel free to contact me if you have any questions.

Sincerely,

Ryan Olson
Key Project Manager
