I, Eric Caldwell, am interested in continuing my appointment as a Lansing Parks and Recreation Advisory Board member. I have had the opportunity to coach all three of my children through their Lansing Parks & Recreation sports journey and have been a current member of the board for the last 11 years. Integrity and Teamwork are the building blocks of the Parks and Recreation platform. This is the age to help develop and instruct on team building and lifelong learning. While players are learning the fundamentals of the game, they are also learning life lessons. It is ok to lose, it's what you do after that loss that matters, and **TEAM** means **T**ogether **E**veryone **A**chieves **M**ore are just 2 of those lessons. Simple things we, as coaches, teach our players are qualities they develop and bring to adulthood. This is what I plan to bring to both coaches and players of future LPR teams.

I understand and respect that I would need to be available to attend board meetings and events in the community. Thank you for your time and consideration.

Eric Caldwell
