

Project Number: 1035

Organization: Lansing

Project Name: West Gilman Road Construction

City(ies), County(ies), State: Lansing, KS Leavenworth County

Routes, interchanges and/or intersections: The project connects State Highway 73/7 to 147th Street. 147th Street ties to Eisenhower Road to the north and Fairmount Road to the South.

Primary Project Mode: Highway/roadway

Project Purpose: * System expansion (added capacity) * System preservation, rehabilitation or replacement * System operations and management)

Project Description: This project will include the construction an expansion of the rural-type, two-lane Gilman Road to current standard three-lane facility to establish further economic development. It also includes construction of a ten-foot bicycle path and five-foot pedestrian sidewalk in accordance with Trails Master Plan and city policy. Primary users include motorists, pedestrians, and bicyclists. Construction of bioswales will be included where efficient.

Scope: The project is approximately one mile and will restructure the roadway from two lanes to three lanes from a current complete roadway which terminates at the Willow Street intersection and continues westward to 147th Street. The project will also require a bridge.

Funding Source: KS Local
