## SEPTEMBER 2024 RECAP

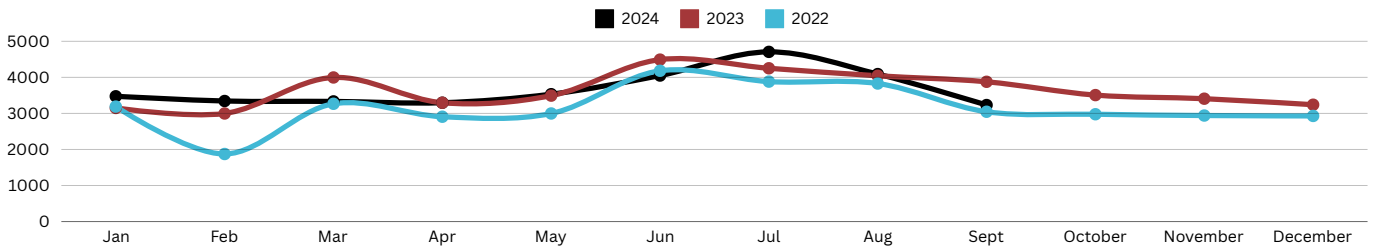

### A MESSAGE FROM THE DIRECTOR

In September, we had the honor of hosting retired US Army Colonel and local author Kevin C.M. Benson, who shared riveting insights from his latest book, *Expectation of Valor: Planning the Iraq War*.

With stories that kept everyone on the edge of their seats, Colonel Benson took us behind the scenes of pivotal moments in military history. The audience was fully engaged, sparking a lively and thought-provoking conversation. It was an unforgettable evening of storytelling and reflection!
