SUBJECT: Equipment Replacement Request

Attached is an equipment replacement request for a 1-ton gasoline dump truck for the Parks Department. This truck would replace a 2014 1-ton diesel dump truck that has consistent maintenance issues outside of standard preventative maintenance due to the emission system. This truck is part of the fleet used for snow removal. The current truck will be auctioned off and is estimated to offset the cost of the new truck by approximately \$30,000.

• 1-Ton gasoline dump truck	<u>\$90,000</u>
TOTAL	\$90,000

Action:

Staff recommends that the City Council authorize the purchase of a 1-ton gasoline dump truck for an amount no greater than \$90,000 from the Equipment Reserve Fund.
