

270-xx.x – RURAL AGRICULTURE (RA) ZONING DISTRICT

270-x.x: Purpose

The intent of the RA District is to designate areas where farming and farm-related businesses are the prevalent and desired land use activities. Some nonagricultural development, largely low-density housing, has occurred, is anticipated in the future, and is appropriate as determined by access to public water infrastructure. The Rural Agriculture (RA) Zoning District is primarily intended to maintain a rural boundary adjacent to the AG Zoning District and to encourage a proper environment to foster farming operations and rural residential land uses. The purpose of the RA Zoning District is to provide an area of limited housing density and a meaningful transition between the rural/agricultural character of the community and the more intensely developed areas south of Peruville Road.
