- Also in Attachment B, Category E, confirm that the name and address of any known subcontractors are indicated. If you know the subcontractor(s) that will be performing any of the work in Category E (even if it's another municipality), this information must be listed in the contract. If a subcontractor has not yet been selected for a particular item, "To be determined" should be indicated.

WITNESSETH:

WHEREAS, the State has the authority to regulate and provide funding for the operation of a program or performance of a service; and desires to contract with a responsive and responsible Contractor possessing the necessary resources to provide such services or work; and

WHEREAS, the Contractor is ready, willing, and able to provide such services or work and possesses or can make available all necessary qualified personnel, licenses, facilities and expertise to perform or have performed the services or work, as applicable, required pursuant to and in compliance with the terms of the Contract, specifications outlined in the grant solicitation, resulting award, and other associated documents comprising the Agreement.

NOW THEREFORE, in consideration of the promises, responsibilities, and covenants herein, the State and the Contractor agree to as follows:

STANDARD TERMS AND CONDITIONS

I. GENERAL PROVISIONS

A. Order of Precedence: In the event of a conflict among (i) the terms of the Contract or (ii) between the terms of the Contract and the original request for proposal, solicitation document, the program application or other documentation that was completed and executed by the Contractor in connection with a grant award, the order of precedence is as follows:

1. Appendix A – Standard Clauses for New York State Contracts
2. Contract for Grants Standard Terms and Conditions
3. Modifications to the Face Page
4. Modifications to Attachment A-2: Program Specific Terms and Conditions; Attachment A-3: Federally Funded Grants and Requirements Mandated by Federal Laws (modifications not required by the Federal government)¹, Attachment B: Budget, Attachment C: Work Plan, and Attachment D: Payment and Reporting
5. The Face Page

¹ For modifications required by the Federal government see Section I(M).

6. Attachment A-2: Program Specific Terms and Conditions, Attachment A-3: Federally Funded Grants and Requirements Mandated by Federal Laws, Attachment B: Budget, Attachment C: Work Plan; and Attachment D: Payment and Reporting
7. Modifications to Attachment A-1: Agency Specific Terms and Conditions
8. Attachment A-1: Agency Specific Terms and Conditions
9. Other attachments, including, but not limited to, the request for proposal or program application, if incorporated by reference on the Face Page

The documents above, collectively, comprise the entire Agreement and govern the program for the entirety of the term of the Contract and any resulting renewals.

B. Funding: Funding for the term of the Contract shall not exceed the amount specified as “Contract Funding Amount” on the Face Page or as subsequently revised to reflect an approved renewal or cost amendment. Funding for the initial and subsequent periods of the Contract shall not exceed the applicable amounts specified in the applicable Attachment B form (Budget).

C. Contract Performance: The Contractor shall perform all services or work, as applicable, and comply with all provisions of the Contract to the satisfaction of the State. The Contractor shall provide services or work, as applicable, and meet the program objectives summarized in Attachment C (Work Plan) in accordance with the provisions of the Contract, relevant laws, rules and regulations, administrative, program and fiscal guidelines, and where applicable, operating certificate for facilities or licenses for an activity or program.

D. Modifications: Any modifications to this Agreement, including any budgetary changes, must be mutually agreed to in writing by both parties and be reflected on the Face Page where such terms are modified. Modifications may be subject to the approval of the AG and OSC in accordance with Appendix A, Section 3, Comptroller's Approval. A modification that would result in a transfer of funds among program activities or budget cost categories that does not affect the amount, consideration, scope or other terms of such Contract may be subject to the approval of the AG and OSC where the amount of such modification is, as a proportion of the total value of the Contract, equal to or greater than ten percent for contracts of five million dollars or less, or five percent for contracts of more than five million dollars. Modifications that are not subject to the AG and OSC approval shall be processed in accordance with the guidelines stated in the Contract.

E. Severability: Any provision of the Contract that is held to be invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, shall be ineffective only to the extent of such invalidity, illegality or unenforceability, without affecting in any way the remaining provisions hereof; provided, however, that the parties to the Contract shall attempt in good faith to reform the Contract in a manner consistent with the intent of any such ineffective provision for the purpose of carrying out such intent. If any provision is held void, invalid or unenforceable with respect to particular circumstances, it shall nevertheless remain in full force and effect in all other circumstances.

F. Interpretation: The headings in the Contract are inserted for convenience and reference only and do not modify or restrict any of the provisions herein. All personal pronouns used herein shall be considered gender neutral. The Contract has been made under the laws of the State of New York, and the venue for resolving any disputes hereunder shall be in a court of competent jurisdiction of the State of New York.

G. Notice: All Notices under this Contract, including termination notices, shall be made in writing and directed to the representatives identified herein, or their designees and shall be transmitted by: a) certified or registered United States mail, return receipt requested; b) facsimile transmission; c) personal delivery; d) expedited delivery service; and/or e) e-mail. Notice shall be deemed to have been given either at the time of personal delivery or, in the case of expedited delivery service or certified or registered United States mail, as of the date of first attempted delivery at the address and in the manner provided herein, or in the case of facsimile transmission or e-mail, upon receipt.

The parties may, on written notice, designate other individuals as their representatives. Such representatives shall request, oversee, supervise, and accept performance of services provided by the Contractor and shall receive any required submissions. Whenever an action is to be taken, or approval for services given by the Agency, such action or approval may be given only by the representatives designated pursuant to this Section.

H. Indemnification: The Contractor shall be solely responsible and answerable in damages for all accidents, incidents, and/or injuries to persons (including death) or property arising out of or related to the services to be rendered by the Contractor or its subcontractors pursuant to this Contract. The Contractor shall indemnify and hold harmless the State and its officers and employees from claims, suits, actions, damages, and cost of every nature arising out of the provision of services pursuant to the Contract.

The term "litigation" shall include commencing or threatening to commence a lawsuit, joining, or threatening to join as a party to ongoing litigation, or requesting any relief from the State of New York, the State Agency, or any county, or other local government entity. The term "regulatory action" shall include commencing or threatening to commence a regulatory proceeding or requesting any regulatory relief from the State of New York, the State Agency, or any county, or other local government entity.

K. Reporting Fraud and Abuse: Contractor acknowledges that it has reviewed information on how to prevent, detect, and report fraud, waste, and abuse of public funds, including information about the Federal False Claims Act, the New York State False Claims Act, and whistleblower protections and will comply with requirements therein.

L. Reporting Risks to Performance: If any specific event, conjunction of circumstances, or any occurrence involving the staff, volunteers, directors, officers, subcontractors, or program participants of the Contractor threatens the successful completion of this project, in whole or in part, the Contractor agrees to notify the State Agency within three (3) calendar days of becoming aware of the occurrence describing the occurrence and the risk it poses to performance under the Contract. To the extent that the Contract is funded, in whole or part, with Federal funds or mandated by Federal laws: (i) the provisions of the Contract that conflict with Federal rules, Federal regulations, or Federal program specific requirements shall not apply and (ii) to the extent that the modifications to Attachment A-3 are required by Federal requirements and conflict with other provisions of the Contract, the modifications to Attachment A-3 shall supersede all other provisions of this Contract; and (iii) the Contractor agrees to comply with all applicable Federal rules, regulations and program specific requirements including, but not limited to, those provisions that are set forth in Attachment A-3 (Federally Funded Grants and Requirements Mandated by Federal Laws), attached hereto.

N. Renewal:

1. **General Renewal:** The Contract may consist of successive periods on the same terms and conditions, as specified within the Contract (a "Simplified Renewal Contract"). Each additional or superseding period shall be on the forms specified by the State and shall be incorporated in the Contract.

2. **Renewal Notice to Not-for-Profit Contractors:** The Contract, as specified herein, may consist of successive periods on the same terms and condition referred to as a "Simplified Renewal Contract." Each additional or superseding period shall be on the forms specified by the State and shall be incorporated into the Contract. Pursuant to State Finance Law §179-t, if the Contract is with a not-for-profit Contractor and provides for a renewal option, the State shall notify the Contractor of the State's intent to renew or not to renew the Contract no later than ninety (90) calendar days prior to the end of the term of the Contract, unless funding for the renewal is contingent upon enactment of an appropriation, than thirty (30) calendar days after the appropriation becomes law, whichever is later. Notwithstanding the foregoing, in the event the State is unable to comply with the time frames set forth in this paragraph due to unusual circumstances beyond the control of the State ("Unusual Circumstances"), no payment of interest shall be due to the Contractor. For purposes of State Finance Law §179-t, "Unusual Circumstances" shall not mean the failure by the State to (i) plan for implementation of a program, (ii) assign sufficient staff resources to implement a program, (iii) establish a schedule for the implementation of a program or (iv) anticipate any other reasonably foreseeable circumstance. Notification to the Contractor of

the State's intent to not renew the Contract must be in writing in the form of a letter, with the reason(s) for the non-renewal included. If the State does not provide notice to the Contractor of its intent not to renew the Contract as required in this Section and State Finance Law §179-t, the Contract shall be deemed continued until the date the State provides the necessary notice to the Contractor, in accordance with State Finance Law §179-t. Expenses incurred by the not-for-profit Contractor during such extension shall be reimbursable under the terms of the Contract.

II. TERMINATION AND SUSPENSION

A. Termination:

1. Grounds:

- a) Mutual Consent: The Contract may be terminated at any time upon mutual written consent of the State and the Contractor.
- b) Cause: The State may terminate the Contract immediately, upon written notice of termination to the Contractor, if the Contractor fails to comply with any of the terms and conditions of the Contract and/or any applicable laws, rules, regulations, policies, or procedures. If the termination for cause results from unsatisfactory performance by the Contractor, the value of the work performed by the Contractor prior to termination shall be established by the State.
- c) Non-Responsibility: Upon written notice to the Contractor, and a reasonable opportunity to be heard by the appropriate State officials or staff, this Contract may be terminated by the State at the Contractor's expense where the Contractor is determined by the State to be non-responsible. In such event, the State may complete contractual requirements in any manner it deems advisable and pursue available legal or equitable remedies for breach.
- d) Convenience: The State may terminate the Contract in its sole discretion upon thirty (30) calendar days prior written notice.
- e) Lack of Funds: If for any reason the State or the Federal government terminates or reduces its appropriation to the applicable State Agency or entity entering into the Contract or fails to pay the full amount of the allocation for the operation of one or more programs funded under this Contract, the Contract may be terminated or reduced at the State Agency's discretion. No reduction or termination shall apply to allowable costs already incurred by the Contractor whereby funds are available to the State Agency for payment of such costs. Upon termination or reduction of the Contract, all remaining funds paid to the Contractor that are not subject to allowable costs already incurred by the Contractor shall be returned to the State Agency. In any event, no liability shall be incurred by the State (including the State Agency) beyond monies available for the purposes of the Contract. The Contractor acknowledges that any funds due to the State Agency or the State of New York because of disallowed

expenditures after audit shall be the Contractor's responsibility.

f) Force Majeure: Performance under the Contract may be terminated or suspended by the State immediately upon the occurrence of a "force majeure" event. For purposes of the Contract, "Force majeure" shall include, but not be limited to, natural disasters, war, rebellion, declared pandemics, insurrection, riot, strikes, lockout, and any unforeseen circumstances and acts beyond the control of the parties which render the performance of contractual obligations impossible.

2. Effect of Notice and Termination on State's Payment Obligations:

Upon receipt of notice of termination provided pursuant to the notice requirements prescribed in this Agreement, the Contractor shall stop work immediately and complete only those specific assignments and/or obligations, if any, subsequently approved by the State. In the event of termination other than for cause, the Contractor shall be entitled to compensation for services performed through the date of termination that are accepted by the State, and for any subsequent services that are accepted by the State, rendered in connection with any successor consultants and contractors, including transfer of records, briefing and any other services deemed necessary or desirable by the State. The Contractor agrees to cooperate to the fullest respect with any successor consultants and contractors.

3. Effect of Termination Based on Misuse or Conversion of State or Federal Property:

Where the Contract is terminated for cause based on Contractor's failure to use some or all of the real property or equipment purchased pursuant to the Contract for the purposes set forth herein, the State may, at its option, require: a) repayment to the State of any monies previously paid to the Contractor; b) return of any real property or equipment purchased under the terms of the Contract; or c) an appropriate combination of clauses (a) and (b) herein.

Nothing herein shall be intended to limit the State's ability to pursue such other legal or equitable remedies as may be available.

4. Suspension:

The State may, in its discretion, order the Contractor to suspend performance for a reasonable period of time. In the event of such suspension, the Contractor shall be given formal written notice outlining the specific details of such suspension. Upon issuance of such notice, the Contractor shall comply with the particulars of the notice. The State shall have no obligation to reimburse Contractor's expenses during such suspension period. Activities may resume at such time as the State issues a formal written notice authorizing a resumption of performance under the Contract.

III. ADDITIONAL OBLIGATIONS, REPRESENTATIONS AND WARRANTIES

A. Contractor as an Independent Contractor/Employees:

1. The State and the Contractor agree that the Contractor is an independent contractor, and not an employee of the State and may neither hold itself out nor claim to be an officer, employee, or subdivision of the State nor make any claim, demand, or application to or for any right based upon any different status. Notwithstanding the foregoing, the State and the Contractor agree that if the Contractor is a New York State municipality, the Contractor shall be permitted to hold itself out, and claim, to be a subdivision of the State.

The Contractor shall be solely responsible for the recruitment, hiring, provision of employment benefits, payment of salaries and management of its project personnel. These functions shall be carried out in accordance with the provisions of the Contract, and all applicable Federal and State laws and regulations.

2. The Contractor warrants that it, its staff, and any and all subcontractors have all the necessary licenses, approvals, and certifications currently required by the laws of any applicable local, state, or Federal government to perform the services or work, as applicable, pursuant to the Contract and/or any subcontract entered into under the Contract. The Contractor further agrees that such required licenses, approvals, and certificates shall be kept in full force and effect during the term of the Contract, or any extension thereof, and to secure any new licenses, approvals, or certificates within the required time frames and/or to require its staff and subcontractors to obtain the requisite licenses, approvals, or certificates. In the event the Contractor, its staff, and/or subcontractors are notified of a denial or revocation of any license, approval, or certification to perform the services or work, as applicable, under the Contract, Contractor shall immediately notify the State.

B. Subcontractors:

1. If the Contractor enters into subcontracts for the performance of work pursuant to the Contract, the Contractor shall take full responsibility for the acts and omissions of its subcontractors. Nothing in the subcontract shall impair the rights of the State under the Contract. No contractual relationship shall be deemed to exist between the subcontractor and the State.

2. If requested by the State, the Contractor agrees not to enter into any subcontracts, or revisions to subcontracts, that are in excess of \$100,000 for the performance of the obligations contained herein until it has received the prior written permission of the State, which shall have the right to review and approve each and every subcontract in excess of \$100,000 prior to giving written permission to the Contractor to enter into the subcontract. All agreements between the Contractor and subcontractors shall be by written contract, signed by individuals authorized to bind the parties. All such subcontracts shall contain provisions for specifying (1) that the work performed by the subcontractor must be in accordance with the terms of the Contract, (2) that nothing contained in the subcontract shall impair the rights of the State under the Contract, and (3) that nothing contained in the

subcontract, nor under the Contract, shall be deemed to create any contractual relationship between the subcontractor and the State. In addition, subcontracts shall contain any other provisions which are required to be included in subcontracts pursuant to the terms herein.

3. If requested by the State, the Contractor agrees to require the subcontractor to provide to the State the information the State needs to determine whether a proposed subcontractor is a responsible vendor.

4. When a subcontract equals or exceeds \$100,000, the subcontractor shall submit a Vendor Responsibility Questionnaire (Questionnaire).

5. If requested by the State, upon the execution of a subcontract, the Contractor shall provide detailed subcontract information (a copy of subcontract will suffice) to the State within fifteen (15) calendar days after execution. The State may request from the Contractor copies of subcontracts between a subcontractor and its subcontractor.

6. The Contractor shall require any and all subcontractors to submit to the Contractor all financial claims for Services or work to the State agency, as applicable, rendered and required supporting documentation and reports as necessary to permit Contractor to meet claim deadlines and documentation requirements as established in Attachment D (Payment and Reporting). Subcontractors shall be paid by the Contractor on a timely basis after submitting the required reports and vouchers for reimbursement of services or work, as applicable. Subcontractors shall be informed by the Contractor of the possibility of non-payment or rejection by the Contractor of claims that do not contain the required information, and/or are not received by the Contractor by said due date.

C. Use of Material, Equipment, Or Personnel:

1. The Contractor shall not use materials, equipment, or personnel paid for under the Contract for any activity other than those provided for under the Contract, except with the State's prior written permission.

2. Any interest accrued on funds paid to the Contractor by the State shall be deemed to be the property of the State and shall either be credited to the State at the close-out of the Contract or, upon the written permission of the State, shall be expended on additional services or work, as applicable, provided for under the Contract.

D. Property:

1. For the purposes of the Contract, "Property" is defined as real property, equipment, or tangible personal property having a useful life of more than one year and an acquisition cost of \$1,000 or more per unit. For Federally funded contracts, if there is any conflict in the definition of "Property" the federal awarding Agency definitions will apply.

a) If an item of Property required by the Contractor is available as surplus to the State, the State at its sole discretion, may arrange to provide such Property to the

Contractor in lieu of the purchase of such Property. Such Property shall be returned to the State at the Contractor's cost and expense upon the expiration of the Contract unless the State consents in writing to the Contractor retaining possession of the Property to use for similar purposes.

b) In addition, the Contractor agrees to permit the State to inspect the Property and to monitor its use at reasonable intervals during the Contractor's regular business hours.

c) The Contractor shall be responsible for maintaining and repairing Property purchased or procured under the Contract at its own cost and expense. The Contractor shall procure and maintain insurance at its own cost and expense in an amount satisfactory to the State Agency, naming the State Agency as an additional insured, covering the loss, theft, or destruction of such equipment. The Contractor may not charge rental or use fees under this Contract for use or acquisition of Property to carry out its obligations under the Contract.

d) The State has the right to review and approve in writing any new contract for the purchase of or lease for rental of Property (Purchase/Lease Contract) operated in connection with the provision of the services or work as specified in the Contract, if applicable, and any modifications, amendments, or extensions of an existing lease or purchase prior to its execution. If, in its discretion, the State disapproves of any Purchase/Lease Contract, then the State shall not be obligated to make any payments for such Property.

e) No member, officer, director, or employee of the Contractor shall retain or acquire any interest, direct or indirect, in any Property, paid for with funds under the Contract, nor retain any interest, direct or indirect, in such, without full and complete prior disclosure of such interest and the date of acquisition thereof, in writing to the Contractor and the State.

2. For non-Federally funded contracts, unless otherwise provided herein, the State shall have the following rights to Property purchased with funds provided under the Contract:

a) For cost-reimbursable contracts, all right, title and interest in Property with a remaining useful life shall belong to the State unless otherwise agreed to, in writing, by the State and the Contractor. However, upon agreement by the State, title shall pass to Contractor upon the end of the Property's useful life (as the phrase "useful life" is defined in Internal Revenue Code § 1.169- 2).

b) For performance-based contracts, all right, title and interest in such Property shall belong to the Contractor.

3. For Federally funded contracts, title to Property whose requisition cost is borne in whole or in part by monies provided under the Contract shall be governed by the terms and conditions of Attachment A-3 (Federally Funded Grants and Requirements Mandated by Federal Laws).

STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, “the contract” or “this contract”) agree to be bound by the following clauses which are hereby made a part of the contract (the word “Contractor” herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

1. **EXECUTORY CLAUSE.** In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.
2. **NON-ASSIGNMENT CLAUSE.** In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State’s previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller’s approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor’s business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State’s prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.
3. **COMPTROLLER’S APPROVAL.** In accordance with Section 112 of the State Finance Law, if this contract exceeds \$50,000 (or \$75,000 for State University of New York or City University of New York contracts for goods, services, construction and printing, and \$150,000 for State University Health Care Facilities) or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$25,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller’s approval of contracts let by the Office of General Services, either for itself or its customer agencies by the Office of General Services Business Services Center, is required when such contracts exceed \$85,000. Comptroller’s approval of contracts established as centralized contracts through the Office of General Services is required when such contracts exceed \$125,000, and when a purchase order or other procurement transaction issued under such centralized contract exceeds \$200,000.
4. **WORKERS’ COMPENSATION BENEFITS.** In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers’ Compensation Law.

5. **NON-DISCRIMINATION REQUIREMENTS.** To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment, nor subject any individual to harassment, because of age, race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, marital status, or domestic violence victim status or because the individual has opposed any practices forbidden under the Human Rights Law or has filed a complaint, testified, or assisted in any proceeding under the Human Rights Law. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.
6. **WAGE AND HOURS PROVISIONS.** If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3- a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.
7. **NON-COLLUSIVE BIDDING CERTIFICATION.** In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the

time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. **INTERNATIONAL BOYCOTT PROHIBITION.** In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2 NYCRR § 105.4).
9. **SET-OFF RIGHTS.** The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.
10. **RECORDS.** The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, the "Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION. (a)

Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN.

In accordance with Section 312 of the Executive Law and 5 NYCRR Part 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

- (a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall

make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

- (b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and
- (c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this clause. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

- (c) The Contractor agrees to make reasonable efforts to provide notification to New York State residents of employment opportunities on this project through listing any such positions with the Job Service Division of the New York State Department of Labor, or providing such notification in such manner as is consistent with existing collective bargaining contracts or agreements. The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and
- (d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

21. **RECIPROCITY AND SANCTIONS PROVISIONS.** Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383,

respectively, codified in State Finance Law § 165(6) and Public Authorities Law § 2879(5)) require that they be denied contracts which they would otherwise obtain.

NOTE: As of May 2023, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii.

22. COMPLIANCE WITH BREACH NOTIFICATION AND DATA SECURITY LAWS.

Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law §§ 899-aa and 899-bb and State Technology Law § 208).

23. COMPLIANCE WITH CONSULTANT DISCLOSURE LAW. If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal or similar services, then, in accordance with Section 163 (4)(g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded the contract, the Department of Civil Service and the State Comptroller.

24. PROCUREMENT LOBBYING. To the extent this agreement is a “procurement contract” as defined by State Finance Law §§ 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law §§ 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS. To the extent this agreement is a contract as defined by Tax Law § 5-a, if the contractor fails to make the certification required by Tax Law § 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law § 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

26. IRAN DIVESTMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State Finance Law § 165-a that it is not on the “Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012” (“Prohibited Entities List”) posted at: <https://ogs.ny.gov/iran-divestment-act-2012>

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or

extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law § 165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

- 27. ADMISSIBILITY OF REPRODUCTION OF CONTRACT.** Notwithstanding the best evidence rule or any other legal principle or rule of evidence to the contrary, the Contractor acknowledges and agrees that it waives any and all objections to the admissibility into evidence at any court proceeding or to the use at any examination before trial of an electronic reproduction of this contract, in the form approved by the State Comptroller, if such approval.

ATTACHMENT A-1

Agency Specific Clauses

For the purposes of this Agreement, the terms "State" and "Department" are interchangeable, unless the context requires otherwise. In addition, the terms "Agreement" and "Contract" are interchangeable, unless the context requires otherwise.

A. Project Timetable

The Contractor agrees to proceed expeditiously with the Project and to complete the Project in accordance with any timetable associated therewith as set forth in the Work Plan (Attachment C) as well as with the conditions of any applicable permits, administrative orders, or judicial orders and this Agreement.

B. Budget Modifications

Prior DOS written approval is required for all requests for budget modifications, regardless of the amount of the modification, or where the proposed modification will result in a transfer of funds among program activities or budget cost categories, but does not affect the amount, consideration, scope or other terms of such contract. All requests for modifications must be done in writing and requires a detailed breakdown of requested changes and justification for the request. Additional approvals will be required when modifications exceed thresholds described below.

Any proposed modification to a contract that will result in a transfer of funds among program activities or budget cost categories, but does not affect the amount, consideration, scope or other terms of such contracts must be submitted to DOS for submission to the Office of State Comptroller for approval when:

1. The amount of the modification is equal to or greater than ten percent of the total value of the contract for contracts of less than five million dollars; or
2. The amount of the modification is equal to or greater than five percent of the total value of the contract for contracts of more than five million dollars.

C. Documentation of Performance

D. License to Use and Reproduce Documents, Intellectual Property and Other Works:

By acceptance of this Agreement, Contractor transfers to the Department a perpetual, transferable, nonexclusive license to use, reproduce in any medium, and distribute, for any purpose, any intellectual property or other work purchased, developed or prepared for or in connection with the Project using funding provided pursuant to this Contract, including but not limited to reports, maps, designs, plans, analysis, and documents regardless of the medium in which they are originally produced. Contractor warrants to the Department that it has sufficient title or interest in such works to license pursuant to this Agreement, and further agrees and warrants that it shall not enter into any subcontract or other agreement purporting to limit such title or interest in such works in any manner that may compromise Contractor's ability to provide the aforesaid license to the Department. Such warranties shall survive the termination of this Agreement. Contractor agrees to provide the original of each such work, or a copy thereof which is acceptable to the Department, to the Department before payments shall be made under this Agreement.

E. Property

The ownership of all property or intellectual property described herein and purchased, developed or prepared under the terms of this Contract shall reside with the Contractor with a reversionary interest in such property or intellectual property held by the Department, unless otherwise authorized or directed in writing by the Department. Except as otherwise provided in Section II(A)(3) of the NYS Contract for Grants, Contractor shall retain ownership of such property or intellectual property after the term of this Contract so long as such property or intellectual property is used for purposes similar to those contemplated by this Contract. Otherwise, the Contractor shall return such property or intellectual property to the Department at the Contractor's cost and expense, and Contractor's ownership interests, rights and title in such property or intellectual property shall revert to the Department. The ownership of all property purchased with federal funds provided pursuant to this Agreement, however, shall be governed by the terms of applicable federal law including, but not limited to, 2 CFR Part 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards," as amended.

In addition to other reserved rights it has to terminate this Agreement, the Department may terminate or suspend the Agreement under the following circumstances:

1. The Contractor shall complete the project as set forth in this Agreement, and failure to render satisfactory progress or to complete the project to the satisfaction of the State may be deemed an abandonment of the project and may cause the suspension or termination of any obligation of the State. In the event the Contractor should be deemed to have abandoned the project for any reason or cause other than a national emergency or an Act of God, all monies paid to the Contractor by the State and not expended in accordance with this Agreement shall be repaid to the State upon demand. If such monies are not repaid within forty-five (45) days after such demand, the State Comptroller of the State of New York may cause to be withheld from the Contractor any State assistance to which the Contractor would otherwise be entitled in an amount equal to the monies demanded or the Department may pursue any other remedies available to the State.
2. The Department shall also have the right to postpone or suspend the Agreement or deem it abandoned without this action being a breach of the Agreement. The Department shall provide written notice to the Contractor indicating the Agreement has been postponed, suspended or abandoned. During any postponement, suspension or abandonment the Contractor agrees not to do any work under the Agreement without prior written approval of the Department.
3. Any funds paid to the Contractor by the Department which are not expended under the terms of the Agreement shall be repaid to the Department.

G. Subcontracting Requirements

1. Contractor agrees that it shall not enter into any subcontract for the performance of work in furtherance of this Contract with any subcontractor that at the time of contracting: (1) is listed on the New York State Department of Labor's list of companies with which New York State cannot do business (available at <https://apps.labor.ny.gov/EDList/searchPage.do>) or is listed on the New York State Office of General Service's list of companies with which New York State cannot do business (available at <https://ogs.ny.gov/debarred-and-non-responsible-entities>); (2) is listed as an entity debarred from federal contracts (available at: sam.gov); or (3) fails to possess requisite workers compensation and disability insurance coverage (see <http://www.wcb.ny.gov>).

Contractor agrees that any such

suspension shall remain in place until the condition giving rise to the suspension is corrected by the subcontractor. The terms of this clause shall be incorporated in any and all subcontracts entered into in furtherance of this Contract.

2. The Contractor's use of subcontractors shall not diminish the Contractor's obligations to complete the Work in accordance with the Contract. The Contractor shall control and coordinate the Work of its subcontractors.
3. The Contractor shall be responsible for informing its subcontractors of all the terms, conditions and requirements of the Contract including, but not limited to the terms of the Agreement, any and all Appendices, and any changes made by amendments thereto, and ensuring that any and all subcontracts entered into in furtherance of this Contract conform to and do not conflict with such terms.
4. Contractor shall file each and every subcontract entered into in furtherance of this Contract with the Department of State no later than fifteen (15) calendar days following the signing of the subcontract, unless otherwise authorized or directed by the Department of State.
5. In addition to the requirements of Section III(B)(2) of the NYS Contract for Grants, the Department reserves the right to require, upon notice to the Contractor, that, commencing from the date of such notice or a date otherwise specified in such notice, Contractor must obtain written approval from the Department prior to entering into any and all subcontracts valued at or below \$100,000 for the performance of any activities covered by this Contract. Contractor agrees to require any proposed subcontractors to timely provide to the Department such information as may be requested by the Department as necessary to assess whether the proposed subcontractor is a responsible entity capable of lawfully and satisfactorily performing the work. In the event the Department invokes this right of prior approval and a request for approval is submitted by Contractor and denied by the Department, Contractor agrees that it shall not enter into the proposed subcontract and that no costs associated with such subcontract shall be allowable under this Contract.

M. Minority and Women Owned Business Participation

Article 15-A of the New York State Executive Law, as amended, authorized the creation of a Division of Minority and Women's Business Development to promote employment and business opportunities on state contracts for minorities and women. This law supersedes any other provision in state law authorizing or requiring an equal employment opportunity program or a program for securing participation by minority and women-owned business enterprises. Under this statute, State agencies are charged with establishing business participation goals for minorities and women. The Department of State administers a Minority and Women-owned Business Enterprises (MWBE) Program as mandated by Article 15-A.

1. General Provisions

- a. The Department of State is required to implement the provisions of New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations ("NYCRR") for all State contracts, as defined therein, with a value (1) in excess of \$25,000 for labor, services, equipment, materials, or any combination of the foregoing or (2) in excess of \$100,000 for real property renovations and construction.
- b. The Contractor to the subject Contract (the "Contractor" and the "Contract," respectively) agrees, in addition to any other nondiscrimination provision of the Contract and at no additional cost to the New York State Department of State (the "Agency"), to fully comply and cooperate with the Agency in the implementation of New York State Executive Law Article 15-A and the regulations promulgated thereunder. These requirements include equal employment opportunities for minority group members and women ("EEO") and contracting opportunities for New York State-certified minority and women-owned business enterprises ("MWBEs"). The Contractor's demonstration of "good faith efforts" pursuant to 5 NYCRR §142.8 shall be a part of these requirements. These provisions shall be deemed supplementary to, and not in lieu of, the nondiscrimination provisions required by New York State Executive Law Article 15 (the "Human Rights Law") and other applicable federal, state, and local laws. Contractor agrees that the terms "MWBE," "MBE" and "WBE" as used herein, shall mean those MBE or WBE firms certified as such by the State pursuant to NY Executive Law Article 15-A and listed in the directory of New York State Certified MWBEs found at the following internet address: <https://ny.newnycontracts.com/>.
- c. Failure to comply with all of the requirements herein may result in a finding of non-responsiveness, non-responsibility and/or a breach of contract, leading to the assessment of liquidated damages pursuant to Section M(7) of this Attachment and such other remedies as are available to the Agency pursuant to the Contract and applicable law.

2. Contract Goals

- a. The Department's New York State-certified Minority and Women-owned Business Enterprises ("MWBEs") utilization goal is 30%. For purposes of this Contract, the specific overall MWBE goal and the breakdown between the Minority-owned Business Enterprise ("MBE") and the Women-owned Business Enterprise ("WBE") utilization goals, are set forth in the Attachment B "Budget", based on the current availability of MBEs and WBEs.
- b. For purposes of providing meaningful participation by MWBEs on the Contract and achieving the MWBE Contract Goals established in this Agreement, the Contractor should reference the directory of New York State Certified MWBEs found at the following internet address: <https://ny.newnycontracts.com/>.

Additionally, the Contractor is encouraged to contact the Division of Minority and Women's Business Development at (212) 803-2414 to discuss additional methods of maximizing participation by MWBEs on the Contract.

- c. The Contractor understands that only sums paid to MWBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied towards the achievement of the applicable MWBE participation goal. The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be 25 percent of the total value of the broker's contract.

FOR CONSTRUCTION CONTRACTS – The portion of a contract with an MWBE serving as a supplier that shall be deemed to represent the commercially useful function performed by the MWBE shall be 60 percent of the total value of the supplier's contract. The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be the monetary value for fees, or the markup percentage, charged by the MWBE.

- d. The Contractor must document "good faith efforts," pursuant to 5 NYCRR § 142.8, to provide meaningful participation by MWBEs as subcontractors and suppliers in the performance of the Contract. Such documentation shall include, but not necessarily be limited to:

- (1) Evidence of outreach to MWBEs;
- (2) Any responses by MWBEs to the Contractor's outreach;
- (3) Copies of advertisements for participation by MWBEs in appropriate general circulation, trade, and minority or women-oriented publications;
- (4) The dates of attendance at any pre-bid, pre-award, or other meetings, if any, scheduled by the Agency with MWBEs; and,

- (5) Information describing specific steps undertaken by the Contractor to reasonably structure the Contract scope of work to maximize opportunities for MWBE participation.

3. Equal Employment Opportunity (“EEO”)

- a. The provisions of Article 15-A §312 of the Executive Law and the rules and regulations promulgated thereunder pertaining to equal employment opportunities for minority group members and women shall apply to the Contract.

- b. In performing the Contract, the Contractor shall:

- (1) Ensure that each contractor and subcontractor performing work on the Contract shall undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, EEO shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation.
- (2) The Contractor shall submit an EEO policy statement to the Agency within seventy two (72) hours after the date of the notice by Agency to award the Contract to the Contractor.
- (3) If the Contractor, or any of the subcontractors does not have an existing EEO policy statement, the Agency may require the Contractor or subcontractor to adopt a model statement (see Form A - Minority and Women-Owned Business Enterprises Equal Employment Opportunity Policy Statement).
- (4) The Contractor's EEO policy statement shall include the following language:
 - (a) The Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, national origin, sex, age, disability or marital status, will undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination, and shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force.
 - (b) The Contractor shall state in all solicitations or advertisements for employees that, in the performance of the Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

- (c) The Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union, or representative will not discriminate on the basis of race, creed, color, national origin, sex age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.
- (d) The Contractor will include the provisions of Subdivisions (a) through (c) of this Subsection 4 and Paragraph “e” of this section 3, which provides for relevant provisions of the Human Rights Law, in every subcontract in such a manner that the requirements of the subdivisions will be binding upon each subcontractor as to work in connection with the Contract.

c. Form B - Staffing Plan

If the total expenditure of this Contract is in excess of \$250,000, the following provision shall apply:

The Contractor shall submit a staffing plan to document the composition of the proposed workforce to be utilized in the performance of the Contract by the specified categories listed, including ethnic background, gender, and Federal occupational categories. The Contractor shall complete the Staffing plan form and submit it as part of their proposal or within a reasonable time, as directed by the Department of State.

d. Form C - Workforce Utilization Report

- (1) The Contractor shall submit a Workforce Utilization Report, and shall require each of its subcontractors to submit a Workforce Utilization Report, in such form as shall be required by the Agency on a monthly basis for construction contracts, and on a quarterly basis for all other contracts, during the term of the Contract.
- (2) Separate forms shall be completed by the Contractor and any subcontractors performing work on the Contract.

- e. The Contractor shall comply with the provisions of the Human Rights Law, as well as all other State and Federal statutory and constitutional non-discrimination provisions. The Contractor and its subcontractors shall not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, age, disability, predisposing genetic characteristic, familial status, marital status or domestic violence victim status, or has filed a complaint, testified, or assisted

in any proceeding under the Human Rights Law, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

4. MWBE Utilization Plan

- a. The Contractor represents and warrants that the Contractor has submitted an MWBE Utilization Plan or shall submit an MWBE Utilization Plan at such time as shall be required by the Department of State through the New York State Contract System (“NYSCS”), which can be viewed at <https://ny.newnycontracts.com>, provided, however, that the Contractor may arrange to provide such evidence via a non-electronic method to the Department of State, either prior to, or at the time of, the execution of the Contract.
- b. The Contractor agrees to adhere to such MWBE Utilization Plan for the performance of the Contract.
- c. The Contractor further agrees that a failure to submit and/or adhere to such MWBE Utilization Plan shall constitute a material breach of the terms of the Contract. Upon the occurrence of such a material breach, the Agency shall be entitled to any remedy provided herein, including but not limited to, a finding that the Contractor is non-responsive.

5. Waivers

- a. If the Contractor, after making good faith efforts, is unable to achieve the MWBE Contract Goals stated herein, the Contractor may submit a request for a waiver through the NYSCS, or a non-electronic method provided by the Agency (use Form E - Waiver Request). Such waiver request must be supported by evidence of the Contractor’s good faith efforts to achieve the maximum feasible MWBE participation towards the applicable MWBE Contract Goals. If the documentation included with the waiver request is complete, the Agency shall evaluate the request and issue a written notice of approval or denial within twenty (20) business days of receipt.
- b. If the Agency, upon review of the MWBE Utilization Plan, quarterly MWBE Contractor Compliance Reports described in Section 6, or any other relevant information, determines that the Contractor is failing or refusing to comply with the MWBE Contract Goals and no waiver has been issued in regards to such non-compliance, the Agency may issue a notice of deficiency to the Contractor. The Contractor must respond to the notice of deficiency within seven (7) business days of receipt. Such response may include a request for partial or total waiver of MWBE Contract Goals.

6. Quarterly MWBE Contractor Compliance Report

The Contractor is required to submit a Quarterly MWBE Contractor Compliance Report (Form F) to the Agency by the 10th day following each end of quarter over the term of the Contract documenting the progress made towards achievement of the MWBE goals of the Contract.

The Agency may require the Contractor to use the NYSCS to submit utilization plans, record payments to subcontractors and otherwise report compliance with the provisions of Article 15-A of the Executive Law and regulations. Technical assistance can be obtained through the NYSCS website at <https://ny.newnycontracts.com> by clicking on the "Contact Us & Support" link.

Questions regarding this program should be directed to the Department's Minority and Women-owned Business Program by calling (518) 474-2754. Potential contractors can access the NYS Directory of Certified Minority and Women-owned Business Enterprises on-line through the Empire State Development website at <https://ny.newnycontracts.com>. The Department makes no representation with respect to the availability or capability of any business listed in the Directory.

7. Liquidated Damages - MWBE Participation

- a. Where the Agency determines that the Contractor is not in compliance with the requirements of the Contract and the Contractor refuses to comply with such requirements, or if Contractor is found to have willfully and intentionally failed to comply with the MWBE participation goals, the Contractor shall be obligated to pay to the Agency liquidated damages.
- b. Such liquidated damages shall be calculated as an amount equaling the difference between:
 - i) All sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and
 - ii) All sums actually paid to MWBEs for work performed or materials supplied under the Contract.
- c. In the event a determination has been made which requires the payment of liquidated damages and such identified sums have not been withheld by the Agency, the Contractor shall pay such liquidated damages to the Agency within sixty (60) days after they are assessed. Provided, however, that if the Contractor has filed a complaint with the Director of the Division of Minority and Women's Business Development pursuant to 5 NYCRR § 142.12, liquidated damages shall be payable only in the event of a determination adverse to the Contractor following the complaint process.

N. Service-Disabled Veteran-Owned Businesses Participation

Article 3 of Veterans' Services Law, as amended, authorized the creation of the Division of Service-Disabled Veterans' Business Development to promote participation of Service-Disabled Veteran-Owned Businesses (SDVOBs) in New York State contracting. The Service-Disabled Veteran-Owned Business Act recognizes the veterans' service to and sacrifice for our nation, declares that it is New York State's public policy to promote and encourage the continuing economic development of service-disabled veteran-owned businesses, and allows eligible Veteran business owners to become certified as a New York State Service-Disabled Veteran-Owned Business (SDVOB), in order to increase their participation in New York State's contracting opportunities. To this effect, the Department of State (DOS) has implemented a Veteran-Owned Businesses (SDVOB) Program, as mandated by Article 3.

To comply with the SDVOB Program goals of 6%, the Department of State strongly encourages grantees to make every effort, to the maximum extent possible, to engage certified SDVOBs in the purchasing of commodities, services and technology in the performance of their contracts with the Department. If SDVOB utilization is obtained, a quarterly SDVOB utilization report should be submitted to the Department with information of the utilization percentage achieved during that quarter. Contractor Reporting Forms are found at: <https://dos.ny.gov/supplier-diversity>.

The Division of Service-Disabled Veterans' Business Development (DSDVBD) is housed within the New York State Office of General Services (OGS) and maintains a directory of the NYS Certified SDVOBs. For assistance with engaging SDVOB vendors in your contracts, please contact the Division of Service-Disabled Veterans' Business Development at the following email address: VeteransDevelopment@ogs.ny.gov, or the DOS Bureau of Fiscal Management – SDVOB Program at dos.sm.sdovob@dos.ny.gov. The directory of certified SDVOB vendors can be found at: <https://sdves.ogs.ny.gov/business-search>.

H. Requirements for Contract GIS Products

1. General GIS Product Requirements -- This document is intended to provide specific requirements and file delivery formats for all GIS materials developed in support of NY Department of State (DOS) projects. These work products include map packages/documents, and associated GIS and imagery files that are created for DOS, including but not limited to products created under grants, interagency agreements and contracts. The following general cartographic requirements must be adhered to by the Contractor:
 - a. Map Products -- The Department requires delivery of digital map products, including all associated GIS and/or CAD digital files. Finished maps should also be provided in a format suitable for viewing and printing (e.g. PDF). All final map products should be submitted to NYSDOS as an ESRI compatible map package (e.g., mpkx, ppx). For any map products which include derived data, a project package (.ppkx) is the preferred deliverable but any map package that provides the necessary source data and documentation to replicate the methodology and geoprocessing history used to derive such data is acceptable.

When creating a map package or project package please make sure to use relative paths with the following boxes checked:

- 1) Share outside of organization
 - 2) Include toolboxes
 - 3) Include history items
- b. GIS Data -- All final version spatially enabled files acquired or developed to support mapping and/or spatial analysis through a DOS funded project are considered property of the DOS and are required to be submitted to DOS. This includes but is not limited to all GIS, CAD, and image formatted data. Only final versions of each layer are required for delivery, and must be in an approved format as specified in this document. In addition, all electronic geospatial data, whether vector or raster, must have spatial reference information and be projection defined (have its coordinate system identified and embedded in or associated with the data file), and in the case of CAD data must NOT be in page space or a custom site-specific projection.
 - c. Deliverable Format – Contractors responsible for data generation, maintenance, and map/figure production for this task are required to submit all final products as well as all source files and metadata used to derive them on Recordable CD or DVD, external hard drive, via email attachment (size limit of 20MB) or downloadable from an ftp site on the Internet. If the project is complex or contains multiple map packages, a directory structure and readme text file in the upper-level directory that describes the structure are required. File naming conventions should be logical, consistent, and contain no spaces or special characters. An underscore may be used in lieu of a space. A recommended directory structure is as follows:

Town of Lansing Zoning Update

- _ Docs (reports, SOPs, correspondence, and other such documents)
- _ Images (aerial photos, satellite imagery, logos, DEMs, and other raster type data)
- _ Maps (MXDs and PDFs. Map names should use the project name as a prefix)
- _ Shapes (geodatabases, shape files, and other approved vector data formats)
- _ Source (original unmodified data that may have been acquired from external/internal sources)
- _ Tables (MS-Access databases, spreadsheets, delimited text files, or other such tabular data not stored in a geodatabase)
 - i. Final Products: Static Digital maps may be submitted in any standard image format such as JPEG (.jpg), Microsoft Windows bitmap (.bmp), or Tagged Image Format (.tiff), or Adobe Acrobat (.pdf) document. A resolution of 150dpi or more is recommended.
 - ii. Source Files: The underlying map products and associated files shall be provided upon product delivery. Map products shall include a map package wherever possible (e.g. mpk, .aprx, .ppkx) with the associated data packaged as relative links. If a map document (e.g., MXD) is provided in lieu of a map package than all associated map layers must be provided and referenced as relative paths in the map document. Acceptable vector spatial data formats are file geodatabases (.gdb) and shapefiles (.shp, .shx, .dbf, and .prj at a minimum). Acceptable raster data formats must be compatible with ESRI Arc Info 10.2 or higher and include:
 - 1. TIFF image with world reference file or as a GeoTIFF (.tif, .tfw)
 - 2. JPEG image with world reference file (.jpg, .jpw)
 - 3. ERDAS Imagine image with pyramid file (.img, .rrd)
 - 4. MrSid image (.sid)
 - 5. ESRI Grid
 - 6. DEM
 - 7. TINs - appropriate projection/coordinate system for the area depicted
 - 8. ESRI TIN

Alternatively, the digital products may be provided as ArcInfo/GIS coverages or CAD files on the same media types upon approval of the Department. All other digital formats require prior approval of the Department. Coordination with the Department prior to submission of digital media is required to ensure compatibility of the delivered materials.

d. Documentation

- 1) A data dictionary must be included along with the map files describing file contents, file names along with the name, description, data type and length for each attribute in a data table. Metadata must be provided for each file and shall

include:

1. Title- In plain language;
2. Summary- One or two sentences of information describing what the data is showing
3. Thumbnail- image of data on map;
4. Description- A paragraph giving a more in-depth description as to the background of the data, the provider of the data, when the data was last updated. The who, what, why of the data;
5. Tags/ Descriptive Words- key descriptive words that help focus a user's search;
6. Bounds of data- Bounding coordinates (N, E, S, W), usage limitation/ general constraints;
7. Publication Dates: When was the data first published. If it has never been published, we will give a published date when it is published on the Gateway;
8. Citation Contact- Who produced the data: Organization name and phone number, email, website of the organization and or individual should be provided;
9. Lineage- information describing the revision history of the data. Start with date of creation, any following update or review dates; and,
10. Use limitations: Please provide any use limitation for the data and creation methodology.

It is important to understand that deliverables are not considered complete without metadata. Data provided under federal funds must be provided in a manner which meets Digital Geospatial Federal Geographic Data Committee Metadata Standard as executed by Executive Order 12906, April 11, 1994, "Coordinating Geographic Data Acquisition and Access: the National Spatial Data Infrastructure".

- 2) Datums and Coordinate Systems – All vector data and map products should be submitted in geographic coordinate system, decimal degree units, and either NAD83 or WGS84. Raster data, such as aerial photographs, may be submitted in their native projection, and maps should be in the appropriate projection/coordinate system for the area depicted. Where applicable, the National Geodetic Vertical Datum of 1988 (NGVD88) shall be used as the preferred vertical datum.

- e. Map Accuracy -- All deliverable map products must conform to National Map Accuracy

Standards for horizontal and vertical accuracy as established by the United States Bureau of the Budget, June 10, 1941, revised June 17, 1947. For example, for maps at 1:20,000 or smaller, not more than 10% of the well-defined map points tested must be more than 1/50 inch (0.508 mm) out of correct position. At 1:24,000, this tolerance translates to a required horizontal accuracy of 40 feet. If by prior

agreement with the Department the map product does not conform to National Map Accuracy Standards, then a statement of actual map accuracy should be included in the Documentation above. Furthermore, hydrographic surveys and maps should conform to recommended accuracy standard proposed in the joint USGS, NOS, Coastal Mapping Handbook, 1978, Melvin Ellis editor, U.S. Government Printing Office, Appendix 6.

2. Additional Digital Cartographic File Requirements - The following cartographic construction requirements must be adhered to by the Contractor:
 - a. Edge-matching -- All map sheets must be both visually and coordinate edge-matched with adjacent map sheets. No edge-match tolerance will be allowed. Attributes for splittable features must also be identical.
 - b. Common Boundaries -- All features that share a common boundary, regardless of map layer, must have exactly the same coordinate position of that feature in all common layers.
 - c. Point Duplication -- No duplication of points that occur within a data string is permitted.
 - d. Connectivity -- Where graphic elements visually meet, they must also digitally meet. All confluences of line and polygon data must be exact; "overshoots", "undershoots", "slivers", or "offshoots" are NOT permitted.
 - e. Line Quality -- A high quality cartographic appearance must be achieved. Transitions from straight lines to curvilinear elements must be smooth, with angular inflections at the point of intersection. The digital representation must not contain extraneous data at a non-visible level. There should be no jags, hooks, or zero length segments. Any lines that are straight, or should be straight, should be digitized using only two points that represent the beginning and ending points of the line.
 - f. Polygon Closure -- For area features being digitized, the last coordinate pair must be exactly (mathematically) equal to the first coordinate pair. No line or polygon must cross itself except to join at an actual confluence. All digitized features across map boundaries must be edited to effect smooth and continuous lines.
 - g. Graphic Precision -- Positional coordinates for all digital graphic elements should not be reported to a level of precision greater than one thousandth (.001) of a foot.
 - h. Digitizer Accuracy -- The required RMS error for digitizer accuracy must be 0.003 or better for digital map registration.
3. Digital-Ready Map Product Requirements -- The following requirements for large scale, non-digital map products must be followed to facilitate the future conversion of the maps to digital map products. All large format, non-digital map products must be

provided on stable base material at a scale. The map products must include an index map to all map sheets and thorough descriptions of all the cartographic elements portrayed on the maps.

- a. Base Map Media -- All maps must be created on mylar or other stable base material.
- b. Map Scale -- All maps of a similar series should be created using the same base scale. Unless otherwise stated by the Department, all maps should be compiled at 1:24,000. If other map scales are approved by the Department, where possible they will conform to standard map scales such as 1:9600; 1:50,000; 1:75,000; or 1:100,000.
- c. Map Registration -- The maps must provide a minimum of four (4) corner and four (4) interior ticks tied to USGS/NYSDOT quadrangle Lat/Long or NYTM coordinates. The maps must be geometrically correct and should register when overlaid on the appropriate USGS/NYSDOT quadrangle control ticks.
- d. Map Title and Legend -- The maps must provide a title and legend block describing the information contained on the maps, and including the Documentation and Datums information requested in the General GIS Product Requirements above and the map scale.
- e. Cartographic Quality -- The quality of all map line work and symbolization must conform to items 1 - 6 in the map criteria set forth in the Additional Digital Cartographic File Requirements section outlined above.

4. Contract Database Standards

- a. Delivery Media -- All database and tabular files must be provided on digital media as specified above in Deliverable Format.
- b. Software Format -- Database and tabular files can be provided in Oracle, Microsoft Excel or Microsoft Access format. Other formats that are convertible to one of the aforementioned formats may be used with prior approval of the Department.
- c. Geographic Attributes -- Database and tabular files that contain elements with a geographic reference must provide a corresponding data field and a geographic coordinate pair for each feature location.

ATTACHMENT C - WORK PLAN

Town of Lansing Zoning Update

1. Project Description

The Town of Lansing will update its zoning code to align with community values and sustainability principles, as outlined in its 2018 Comprehensive Plan. The Town hosts an abundance of natural resources, scenic vistas, and sensitive environmental areas. The update will protect resources while supporting development near existing nodes of activity to ensure the long-term well-being of the community.

The Town of Lansing (Contractor) and its Zoning Advisory Committee shall prepare a Zoning Code pursuant to the zoning enabling statutes contained in General City Law §20(24) and §20(25) / Town Law Article 16 / Village Law Article 7. The Zoning Code will be developed in accordance with an adopted Comprehensive Plan; guide future sustainable growth within the municipality; enhance the local identity; and protect natural and cultural local resources.

The Zoning Code must also address the following general Smart Growth principles, in addition to the elements suggested by the New York State statutes:

1. Develop plans and land use regulations that allow for and encourage mixed-use neighborhoods.
2. Enable a diverse mix of housing types that provide for opportunity and choice for all.
3. Prioritize infill and redevelopment of existing buildings to revitalize neighborhoods and downtowns, including areas around public transit.
4. Provide well-planned, equitable, and accessible public spaces.
5. Encourage compact neighborhood design and concentrated development around existing infrastructure.
6. Preserve open space, agricultural resources, and natural resources.
7. Prioritize transportation options such as walking, cycling, and public transportation.
8. Promote climate resiliency and adaptation, preferably through nature-based solutions, and reduce greenhouse gas emissions.
9. Build on unique traits to create an attractive and welcoming community with a strong sense of place.
10. Engage in an inclusive, collaborative public planning process that considers the needs and character of the community.

The Contractor will use the funding/grant for reimbursement of municipal planning staff costs or consultant services necessary for the coordination of the planning process and preparation of the Zoning Code.

2. Project Attribution and Number of Copies

The Contractor must ensure that all materials printed, constructed, and/or produced acknowledge the contributions of the Department to the project. All final and public facing materials must include the Department of State logo and the following acknowledgment:

"This [document, report, map, etc.] was prepared with funding provided by the New York State Department of State Environmental Protection Fund."
