Your NPR request has been received by the Buffalo District Regulatory Branch and assigned the Department of the Army File LRB number noted in the subject line above. Please include this number in future correspondence regarding this file. Your Project Manager is Mike Uitvlugt michael.p.uitvlugt@usace.army.mil (315) 255-8090 X 8072, who will contact you if more information is needed. Please direct any further inquiries regarding this project to the project manager.

Applications/Requests are reviewed in the order in which they are received. Buffalo District is currently experiencing a large backlog due to a high number of incoming applications and recent regulation changes. Our Regulatory staff are working diligently to process applications as quickly as possible.

Respectfully,

June Lathrop
