**COUNCIL COMMUNICATION:**

**TO:** Mayor Garrett and City Council Members  
**FR:** Pamela Bratschi, Interim City Administrator  
**DA:** April 15, 2022  
**RE:** Adoption of Final Delinquent Special Assessment Roll

At the end of each year there are delinquent water and other bills (such as unpaid grass or weed mowing charges, delinquent water and sewage disposal charges, sidewalk repair charges, or nuisance abatement).

This starts the process of moving these amounts to the tax roll identifying the tentative special assessments in December and scheduling a public hearing in January. Property owners have until April before the amounts are placed on their tax bill.

Attached you will find the water and other special assessments. The action today certifies the special assessments as delinquent, which is the last step before placed on the tax roll.

Following are the water and other special assessment amounts owed at this time and for the previous several years.
