Tree Wrapping x8- c7	C7 lights will be evenly dispersed throughout the tree in a natural, random pattern. Instead of wrapping the lights in visible circles or straight lines, they will be placed at different depths and heights throughout the branches. This creates a fuller, more organic appearance with no obvious pattern. Allowing the entire tree to glow naturally from the inside out. C9 on tree that will be for ceremony. Lift needed and included in price	\$6,400.00
City hall Collums x4	Wrapping the 20-foot columns with evenly spaced mini lights will add height and depth to the display. The lights will spiral neatly around each column, creating a full, consistent glow that frames the building and gives it a polished, eye-catching holiday appearance.	\$800.00
City Hall Façade Lights-240 ft	C9 lights will be installed with precise, even spacing to create a clean, polished, and professional appearance. Each bulb will be carefully aligned so the display follows the building's lines perfectly and looks consistent from every angle.	\$1,000.00
City Hall Monument	We will outline the flower bed with evenly spaced C9 stake lights, creating a clean border and a warm glow around the City Hall sign. Two 36-inch pre-lit wreaths featuring warm-white lights and red bows will be placed on each side of the monument to create a balanced, welcoming holiday display.	\$600.00

Decorate Public Entrances x2	We will decorate each public entrance with professionally installed garland and your choice of warm-white or multicolored lights. We will also outline the overhang with evenly spaced C9 bulbs, creating a clean, polished appearance that makes each entrance stand out and feel welcoming throughout the holiday season.	\$600.00
Additional Lighting 400 ft roughly. (Yellow Areas)	Gazebo, East side of building, Also park overhang. All 3 yellow spots. Included in price for FREE if we are the company chosen!	\$0.00
Install timeline & Removal..Price Changes	Lights can be installed as early as October 1 and will be completed no later than mid-November. We can reserve a preferred installation date each year in advance to help keep scheduling consistent. If early removal is important, we can place City Hall at the top of our removal list, weather permitting and subject to safe lift operation. The annual contract price may increase by up to 5% year over year to account for rising material and operating costs, as well as additional labor and lighting needed due to tree growth.

Kelly Mercer

We have used this company for the last couple of years to decorate our park, they have done an excellent job making our park look beautiful. Very professional

Haley Goodhue Bukoffsky

Our lights look amazing and bring such joy to our hearts! I love to learn about what motivated someone to start their business. Allan story about bringing joy to his father was so heartwarming. Allan and his crew are definitely out spreading the magic of Christmas 🎄

Kyle Gierman

We have used this company for our Christmas lights three years in a row, and they are hands-down the best in the business.
It's rare to find such high-quality service paired with incredible value, but this team delivers every time. Their pricing is the best price around, making professional light installation completely stress-free and affordable. The team is always prompt, professional, and the lights look absolutely stunning. If you want beautiful lights and a fantastic experience year after year, look no further. Very happy with their work! ...

Service includes installation, in-season maintenance, removal, and storage of all leased decorations.

All lighting and decorations remain the property of Light You Up unless otherwise stated.

Payment is due within 30 days of installation.

Installation and removal dates are weather-dependent and may be adjusted for safety.

The customer must provide safe access and working GFCI-protected electrical outlets.

Repairs caused by normal equipment failure are included. Damage caused by severe weather, animals, vandalism, theft, landscaping, snow removal, or third parties may result in additional charges.

Annual contract pricing may increase by up to 5% due to rising costs. Tree growth, design changes, or additional materials may also affect pricing.
