TO: Michael Greene
FROM: Chief McKee
REASON: Axon Taser Contract
DATE: August 19, 2024

The Police Department is requesting approval for the purchase of 10- new tasers for the agency. The purchase of the new tasers will replace the existing 10 tasers that have reached the end of their life cycle. The contract will be divided into equal annual payments of \$9,223.20 for a total of 5 years with a total expenditure of \$46,110.00. It is extremely important for officers to have the ability to deploy a less than lethal option when dealing with a subject that is combative and resisting arrest. Having he ability to deploy a taser when necessary reduces injuries to the subject and the officers involved.
