RE: City-Wide Garage Sale

Background Brief: Each year, the City sets a city-wide garage sale date(s) and waives the associated fees to spur participation and consolidate the summer garage sale season.

The City would typically hold the city-wide garage sale after the last day of school. Southfield Public Schools' year appears to end on June 12, 2026, according to their Master Calendar.

As Father's Day is Sunday, June 21, 2026, this year, so as not to interfere with residents' plans for that holiday, it is recommended to schedule the City-Wide Garage Sale for June 13-14, 2026.

Previous Action: N/A

Economic Impact: Minor loss of revenue collection due to waiving garage sale fees. \$5 for 2 signs and \$7 for 3 signs. Indirect positive community benefits via the potential of increased traffic throughout the City.

Recommendation: It is my recommendation to set the city-wide garage sale dates as June 13 & 14, 2026.

Recommended Motion:

Moved by _____ seconded by _____ to set the City-Wide Garage Sale for June 13 & 14, 2026, and waive any associated garage sale fee for those dates only.
