RE: Study Session

Planning Commission Member Appointments

There are currently two vacant seats on the City of Lathrup Village Planning Commission, due to the expiration of terms and members' decisions not to seek another term. Per ordinance, appointments to the Planning Commission are made by the City Council.

Applications Received

The City has received applications from three qualified residents interested in serving on the Planning Commission. The submitted applications have been reviewed and are included in the meeting packet for Council's consideration.

Timing of Appointment

If the City Council appoints two new members at the Regular Meeting on Monday, September 15th, the individuals will be able to be sworn in prior to the next scheduled Planning Commission meeting on Tuesday, September 16th. This will allow the new members to participate fully in Planning Commission business without delay. This timing is significant as the Commission is expected to hold election of officers during their next meeting, and the new members would then be eligible to be considered for officer roles as part of that process.
