Re: Partnership agreement between City and LVHS

This is a request to continue the partnership agreement with the City, allowing LVHS to occupy the former exercise space on the lower level of City Hall.

This agreement would continue to be mutually beneficial as the City would be protecting the history of the community in an accessible location. The LVHS would be able to offer events and exhibits that would expand the city's knowledge of its history.

The records held by the LVHS are of value not only to LV but also to general historians. The city is a part of a large social movement of the 1920s and 1930s and has an incredibly complete record of a historically significant period in our national history.

In addition, LVHS could continue to be the custodian of the permanently valuable records of the, as we have been since 1963. As the city goes through stored items, these materials could be added to the collection, providing both a safe and accessible location.

The LVHS would also promote Lathrup Village history by utilizing the display case in the lobby of City Hall to share knowledge for the community to enjoy. The city contributions would be permanent use of the space.

Please let me know if you need any additional information and what the next steps are.

Approved by City Council on XXXX.
