www.lathrupvillage.org

- Planning & engineering designing are underway for 2024 alley and approach work.

Miscellaneous

- DDA is continuing to collaborate with Oak Park, Southfield, and Southfield Area Chamber of Commerce, and MSOC (Tri-City Partnership) for free/low-cost business workshops. We will be looking for sponsors to defray costs. Planning is underway for 2024 workshops which are intended to include in-person and virtual learning opportunities, as well as networking opportunities.
- DTE Tree Grant has been reissued for planting work in the DDA district. The Beautification Task Force will work over the winter months to ensure the projects are completed in the spring. Revised quotes will be secured once tree species have been determined.
- MSOC was informed our RAP2.0 grant proposal was not selected for funding. MSOC has secured funding through the OC Board of Commissioners; however, there is still a funding gap to be addressed. A grant application for \$50K was submitted for the GM Match on Main; grant awards will be announced in early 2024. LVDDA staff will continue to explore additional funding streams for the Municipal Park Renovation, as well as refine the project scope as needed.
