WHAT IS RECAST CITY?

Recast City is a national initiative that helps communities transform underused retail and office spaces into hubs for small-scale manufacturing, maker businesses, and local entrepreneurs. Lathrup Village has been selected to explore this exciting opportunity—and we want your input!

WE WANT TO HEAR FROM YOU!

Whether you're a maker, manufacturer, artist, designer, entrepreneur, retailer, or business owner—your perspective matters. Join us for an open conversation about what's possible and how this project can support your business.

SPACE IS LIMITED.
RSVP TODAY!
