RE: Lathrup Village - Deposit

From Matt Campanella <matt@sinclair-rec.com>

Date Mon 8/10/2026 3:47 PM

To Michael Greene <mgreene@lathrupvillage.org>

Yes, we can take a deposit from the city and hold the funds in case anything goes sideways and be able to issue you the funds back if needed. We can still make changes as needed as we won't order anything until we have all the necessary approvals. The DNR uses our state contract for purchasing so it would be hard to think they wouldn't allow you the opportunity to use MiDEAL especially with the added benefit of the matching grant funds from GameTime.
